

## **2016 MPSSAA Basketball Quiz #16**

1. A-1 throws a pass to A-2 in their front court. A-2 misses the pass and the ball bounces into the basket. The center official scores two points for Team A. True or False?
2. A-1 is shooting a ten foot jump shot and is fouled by B-1. The try lodges in the ring. The officiating crew has A-1 shoot two free throws with no players lined up and continues the game with the alternating possession arrow. True or False?
3. A-1 attempts a three point shot where the ball is in the cylinder when B-3 knocks the ball away. The center official awards A-1 three points for the “basket interference” violation by B-3. True or False?
4. On a free throw, the shooter shall not fake a try, nor shall any player in a marked lane space fake to cause an opponent to violate. True or False?
5. A-1 throws a pass from the three point area and B-3 legally touches the ball as it passes through the two point area. The ball goes into the basket and the center official scores three points for Team A. True or False?
