

2017 MPSSAA BOYS LACROSSE QUIZ #2 -- TOP 10 TRICK QUESTIONS

True or False:

1. The length of the lacrosse field is the same as that of a football field.
2. The length of the wing line is 10 yards and 4 inches.
3. When it comes to stalling, the team which is ahead by four goals or less shall be warned to “Get it in/Keep it in” as soon as possession has been gained over the center line.
4. The goalkeeper’s crosse shall have a maximum of 16 ½ inches from tip of the head to the bottom of the throat.
5. A mouthpiece can be partially clear.
6. The platform of the shoe is restricted to a maximum of 5/32-inch.
7. For the purpose of satisfying the 10-second count, the top restraining line of the attack goal area is considered inside the attack goal area, yet in the case of a “stall warning” the very same line is considered outside that area.
8. All time-serving penalties which occur in the defensive side of the field shall result in a “free clear”.
9. The “Flag Down” always denotes possession.
10. Unsportsmanlike conduct is exclusively reserved for non-contact fouls.
