

Game Administration

Respect the Game

- *Respect* your facility by promoting a positive atmosphere for competition between schools who share the same goals for their students.
- *Respect* your role in providing for the safety of all who come under your authority.
- *Respect* the atmosphere created at your school through the selection of music, PA announcements, cheers and chants.
- *Respect* your position as the one charged with the overall authority of the event.
- *Respect* the treatment your school provides to visiting teams and guests. Their treatment has a direct reflection on you as their host.
