MPSSAA GIRLS' FIELD HOCKEY BULLETIN

State Semifinals - November 3/5 (Central Sites)
State Finals - November 8, 2014
Washington College

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Field Hockey tournament. Plans for the tournament were formulated by the State Field Hockey Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated on page 1 (Section I) of this publication as well as those appearing within this Field Hockey Bulletin.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in Section I of this publication.
- E. Regular season policies and procedures
 - 1. Games postponed during the regular season shall be made up on the first available date and in the order originally scheduled. Subsequent games shall not be moved. Local supervisor(s) of athletics shall be consulted and will make final decisions on postponed games.
 - 2. By state association adoption, the clock will continue to run after goals when one team is ahead by five goals.
 - 3. In order to break regular season ties, follow the National Federation rulebook tie-breaker procedures (A; B 1, 2; C; D; and E 5), with the following modifications:
 - Play two 10-minute, sudden-victory overtime periods, if necessary. Seven players must start in the overtime, including the goalkeeper. There will be substitution allowed during overtime.
 - 4. If the game is still tied at the end of the second overtime, one set of five penalty strokes will be used. If the game is still tied after using one set of penalty strokes, the game will remain a tie.
 - 5. Timer and Scorer: If there is a visible working scoreboard, it shall be used as the official clock. At the end of each half, the timer shall sound an audible device to indicate that time has expired. The umpire's whistle will then signal the official end of the half. The timer or scorer must have a stop watch or clock available to keep penalty time on the sideline.
 - 6. During the regular season, the home team shall supply a minimum of five game balls for each contest. It is highly recommended the home team supply two ball retrievers. If no ball retrievers are available, schools shall place two balls behind each goal.

B. Playing Rules

1. All rules not modified here shall be in accordance with the current National Federation rules.

- d. Players not in proper attire will not be permitted to enter the contest.
- 3. Methods of tie-breaking will be the same as for the regular season except that penalty strokes will be used if needed to determine a winner during all region and state tournament games.
 - a. If penalty strokes are needed, one (1) set of five penalty strokes (for each team) will be played.
 - b. If a tie still stands, sudden-victory penalty strokes will follow the set of five.
 - c. Teams may use the same set of strokers as for the first set. Teams may change the order of strokers after the first set.
 - d. Strokers and the goalkeeper must have been listed in the scorebook.

III. REGION TOURNAMENT

A. Tournament Organization

- 1. The region director (listing found on page 21 of this bulletin) is responsible for the assignment of officials and the notification of schools as to the tournament bracket, site, and starting times.
 - a. The region director shall employ local officials to the game site, plus qualified adults as scorers and timers.
 - b. The region director shall inform the state committee director and the MPSSAA of the schedule established for competition.

- 2. The **seeding meeting** for bracket positions will take place Thursday, Oct. 16 in the MPSSAA office via conference call with the state tournament chair. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> later that day.
 - a. Region directors will verify and submit to the state tournament chair by 9 p.m., Oct. 15, the official records of all teams for regular season games played through that day.
 - b. All teams in each section will be seeded as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship.
 - c. Teams with less than nine varsity games played will be seeded based on a regular season winning percentage using a divisor of nine games.
 - d. Ties among teams in a section will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used to determine the order of seeding.
 - e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
- 3. All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section II will host in 2014, Section I will host in 2015. The option to conduct region and sectional contests at neutral or central sites remains.
 - a. The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to Oct. 1.
 - b. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
 - c. The home team will wear **white** tops and solid **white** socks.
 - d. During regional tournament games, the designated home team shall supply four ball retrievers.
- 4. The home school will determine the game time.
 - a. During Daylight Savings Time, day games will begin no later than 3:30 p.m.
 - b. During Eastern Standard Time, day games will be played no later than 3:00 p.m.
 - c. Night games will begin no later than 7:00 p.m.
- 5. Traveling teams should contact the director of the region where the game is to be played for information regarding field conditions, etc. which pertain to their game status.
- 6. Rained-out contests must be played on the dates indicated in the Time Line on page 16.
- 7. The Field Hockey Committee will approve for use only those sites that meet the criteria below. When a school cannot meet the game site criteria, the region director shall designate an alternate site after consultation with the local supervisor(s) of athletics.
 - a. Play must be on a regulation field, sized and marked as specified by NFHS Rules including marks for a team line. A crowned field is NOT recommended (the ball should be visible).

- The playing surface should be of grass and cut to the appropriate height (ball visible) and/or a turf field.
- c. There shall be a clearly defined spectator area. Spectators may not stand behind team benches.
- d. Provisions should be made for adequate supervision and crowd control.
- e. There should be the capability to control the gate.
- f. A scorer's table and four chairs should be provided.
- g. Team benches should be provided.
- h. For region finals, the use of a public address system is recommended.
- i. If at a neutral site, the school must be willing to host.
- 8. The designated home team will provide a minimum of five game balls, clock, and stopwatch.
- 9. Local MPSSAA districts will collect all revenue and pay all expenses. Site directors shall pay officials and required workers. When funds are not available, fees should be referred to the host district.
