#### **MPSSAA BASEBALL BULLETIN**

State Finals - May 23/24, 2014 Ripken Stadium, Aberdeen

#### I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Baseball tournament. Plans for the tournament were formulated by the State Baseball Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Baseball Bulletin.
- C. *Eligibility rules for all participants are defined* in MPSSAA Bylaw .02, found in the current Handbook.
- D. **General regulations for all state tournaments** are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. The official state baseball is the Wilson A1010BPROSST.
- F. Playing rules for regular season, region, and state tournament
  - 1. National Federation rules will be used.
  - 2. A regular season regulation game is seven innings (turns at bat) for each team unless shortened as in Rule 4-2-2 or unless extra innings are necessary to break a tie score.
    - a. By state adoption, all games that are tied or not considered a complete game will be a suspended game. A suspended game will be continued from the point of interruption unless the game is declared complete by mutual agreement between the two schools.
    - b. Any inning started must be completed to be considered a complete game. No innings will be reverted back to the previous inning to be considered a complete game.
  - 3. All region and state tournament games will be a minimum of seven innings unless the 10-run rule applies.
  - 4. All games, including doubleheaders, must be scheduled for seven innings.
  - 5. The National Federation 10-run rule is mandatory for all games.

- 6. The MPSSAA will use the National Federation suggested speedup rules for courtesy runners.
- 7. **Intentional walks**: An intentional walk may be given by the defensive team by having their catcher or coach request such from the umpire. This may be done before pitching to the batter or on any ball-and-strike count.
- 8. Pitching limitations (penalty for violation—forfeit game in which illegal pitcher was used):
  - a. A pitcher may pitch in a maximum of 14 innings in any seven calendar-day period and a maximum of 10 innings within a three calendar-day period. (If a pitcher throws at least one pitch or attempts a play as a pitcher in an inning, it counts as one full inning against his limitation of innings.)
  - b. It is the responsibility of the coach to have all pitchers, with their pitching limitations, listed on the lineup cards presented to the umpire and opposing coach at the beginning of the game.
  - c. The pitching limitations rule is in continuous effect between the regular season and playoffs.
  - d. When a suspended game is made up, the pitching limitations in effect at the time of suspension apply. *In addition, current pitching limitations apply at the time of the makeup.*

#### **II. REGION TOURNAMENT**

- A. Tournament Organization
  - 1. Every school is automatically entered into the region tournament unless the MPSSAA office receives written notification to the contrary. Request for withdrawal shall be by letter, signed by the school principal.
  - 2. NO ENTRIES ARE TO BE SUBMITTED UNTIL THE SECTIONAL SEMIFINALS ARE OVER.
    - a. ONLY TEAMS THAT WIN SECTIONAL SEMIFINALS ARE TO SUBMIT ONLINE ENTRIES. Entries
      must be received in the MPSSAA office by 4 p.m. Tuesday, May 13 (day after the sectional
      semifinals).
    - b. The mailed photo must be postmarked no later than May 13.
    - c. THE ONLINE ENTRY METHOD MUST BE USED. The complete directions for submitting rosters and photos will be found on pages 5-6 in Section I of this publication.
  - 3. Each region will conduct a single elimination tournament, with the champion advancing to state play.
  - 4. Responsibilities of region director
    - a. Notify schools as to their bracket position, site of upcoming contest, and starting time.
    - b. Schedule the local officials board that services the designated home team.
    - c. Inform the state committee director and MPSSAA of the schedule established for competition.
  - 5. The draw for bracket positions will take place on Wednesday, May 7, in the MPSSAA office via conference call with the state tournament chair. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> that day.
    - a. A team must have completed a minimum of 14 regular season games by the draw date to be seeded in the top two positions in each **sectional** of the region tournament.
    - b. Region directors will verify and submit the official win-loss records of all teams to the state committee no later than 8 p.m. on May 6.

- c. The top **two** teams in each **section** will be seeded **1-2** as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship. Ties among the top **two** teams in a **section** will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used.
- d. The remaining teams in each **section** will be placed on the bracket by a blind draw.
- e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
- 6. All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section I will host in 2014, Section II will host in 2015. The option to conduct region and sectional contests at neutral or central sites remains.
  - a. The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to April 10.
  - b. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
- 7. Postponed/suspended sectional/region games may be required by the State Baseball Committee to be made up as part of a doubleheader.
- 8. The head coach of each region winner must complete the Media Information Form found on the baseball page of MPSSAA.org and bring 20 copies each to the state semifinal and final.

## B. Playing Rules

- 1. All region games will be a minimum of seven innings unless the 10-run rule applies.
- 2. The starting time for weekday contests will be 4 p.m. and the starting time for Saturday contests will be 1 p.m. unless, due to extenuating circumstances, both schools agree to modify the starting time. Schools with lights may start contest up until 7 p.m. Any changes to the start time must be approved by the regional director and sport committee chair.
- 3. Regional games must be played on the dates provided in the timeline with inclement weather as the only exception.

#### C. General Policies

- 1. The home team will provide NFHS approved baseballs for their games.
- 2. Individuals 7 years of age and older will be charged an admission of \$5.
- 3. A plaque and 25 individual certificates will be presented to the region champion.
- 4. Each coach who wins a region championship and advances to state play must complete the media information form (found at mpssaa.org's baseball page) and bring 20 copies to the state semifinal contest.
- 5. Local MPSSAA districts will collect all revenue and pay all expenses. Site directors shall pay officials and required workers. When funds are not available, fees should be referred to the host district.

6. Noisemakers and other distractions, (i.e., sirens, whistles, horns, bells, etc.), are prohibited.

#### D. Officials

- 1. Two MPSSAA-certified officials will be assigned to each game.
- 2. More than two umpires may be assigned if this is consistent with the normal and ordinary practice of the home team during the regular season; however, the MPSSAA will pay for only two officials.
