- E. Regular season policies and procedures

 - 2. By state association adoption, the clock will continue to run after goals when one team is ahead by five goals.
 - 3. In order to break regular season ties, follow the National Federation rulebook tie-breaker procedures (A; B 1, 2; C; D; and E 5), with the following modifications:

 Play two 10-minute, sudden-victory overtime periods, if necessary. Seven players must start in the overtime, including the goalkeeper. There will be substitution allowed during overtime.
 - 4. If the game is still tied at the end of the second overtime, one set of five penalty strokes will be used. If the game is still tied after using one set of penalty strokes, the game will remain a tie.

The top **two** teams in each **section** will be seeded **1-2** as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship. Ties among the top **two** teams in a **section** will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used.
 - d. The remaining teams in each **section** will be placed on the bracket by a blind draw.
 - e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
3. **All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section I will host in 2013, Section II will host in 2014. The option to conduct region and sectional contests at neutral or central sites remains.**
 - a. **The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to Oct. 1.**
 - b. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
 - c. The home team will wear **white** tops and solid **white** socks.
 - d. **During regional tournament games, the designated home team shall supply four ball retrievers.**
4. The home school will determine the game time.

6. Rained-out contests must be played on the dates indicated in the Time Line on page 16.
7. The Field Hockey Committee will approve for use only those sites that meet the criteria below. When a school cannot meet the game site criteria, the region director shall designate an alternate site after consultation with the local supervisor(s) of athletics.
 - a. Play must be on a regulation field, sized and marked as specified by the National Federation, including marks for a team line. A crowned field is NOT recommended (the ball should be visible).
