    - c. Inform the state committee director and MPSSAA of the schedule established for competition.
  - 2. A draw for bracket positions will take place May 5 in the MPSSAA office via conference call with the tournament directors. Tournament pairings will be posted on MPSSAA's web site <mpssaa.org>.
    - a. A team must have played a minimum of nine games to be eligible for the region tournament.
    - b. Region directors will verify and submit the official regular season win-loss records of all region teams to the state director by 9 p.m. Saturday, May 3.
    - c. The top **two** teams in each **section** will be seeded **1-2** as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship. Ties among the top **two** teams in a **section** will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used.
    - d. The remaining teams in each **section** will be placed on the bracket by a blind draw.
    - e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
  - 3. All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section I will host in 2014, Section II will host in 2015. The option to conduct region and sectional contests at neutral or central sites remains.
    - a. The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to April 10.

- b. If circumstances render a home site unplayable, the region director shall designate another site upon consultation with the local supervisor(s) of athletics. The designated home team will remain unchanged..
- 4. Doubleheaders will be played in all rounds when the boys and girls draw permits.
  - a. The home team's athletic director, in consultation with the local supervisor of athletics, will decide which team plays the first game.
  - b. EXCEPTION: In the event of rain, on grass field only, girls will play the first game because of the problems of excessive damage to the crease area.
- 5. School day games shall not start earlier than 3:45 p.m. Upon the approval of the executive director, adjustments in starting times may be made to accommodate doubleheaders.
