- 2. NO ENTRIES ARE TO BE SENT UNTIL THE SECTIONAL SEMIFINALS ARE OVER.

- 4. Doubleheaders will be played where boys and girls matchups exist for both schools, unless the draw or facility prohibits it. For the 2013 tournament, the girls game will be the early game. Each subsequent year, the order will be reversed.
- 5. A suspended tournament game shall be continued from the point of suspension unless the game is declared complete by mutual agreement between the two schools.

B. Playing Rules

- 1. The State Soccer Committee has adopted the National Federation recommendation that a player or coach disqualified from a region or state tournament game under NF Rule 12-8 (Articles 2, 3, or 4) shall be barred from participating in the team's next game. For interpretation refer to Misconduct Detrimental to a Tournament, see Rule .07C(11) on Page 42 in the MPSSAA Handbook.
- 2. The overtime procedure for tournament progression is the same as used during the regular season (refer to the preceding section I.H.1). In the event the match remains tied after two sudden victory overtime periods, there will be a penalty kick tiebreaker to determine a winner. The following Penalty Kick Procedure shall be used.
 - a. This procedure will be used for the state championship matches, as well as all regional and state semifinal matches.
 - b. Organization mechanics: The designated home team or tournament committee, (if the game is being managed by the committee), shall:
 - (1) supply sufficient ball persons to enable the procedure to operate efficiently.
 - (2) be responsible for providing sufficient security for the penalty kick procedure so that it may be conducted without interference to those involved.

3. The officials will:

- a. gather all eligible field players in the center circle who completed the second overtime period.
- b. designate the goal at which the penalty kicks will be taken.
- c. choose three balls for use.
- d. begin the penalty kick procedure after a three-minute intermission period. The following procedures shall apply:
 - (1) A coin toss shall occur, with the visiting team calling the toss. The winner of the toss will have the choice of shooting first or defending first.
 - (2) The penalty kick tiebreaker will initially be based on the performance of five kickers designated by the coach from each team. Coaches should identify one kicker at a time. Attempts shall be made in alternating order until one team has an insurmountable advantage.
 - (a) If the score is tied after the five designated players have taken their shots, then a sudden-victory round begins which includes the remaining eligible players for each team who were not part of the initial penalty kicking phase.
 - (b) If the score remains tied after the completion of (a) above, then the sudden-victory round continues with all eligible players from each team becoming eligible for a second shot. A coach may change the order from the initial round. No player can take a third shot until all eligible players from both teams have taken their second shot, and so on.

4. Coaches' responsibilities:

- a. Each coach shall be solely responsible for utilizing only eligible players as the team's participants. Participation by an ineligible player will result in forfeiture of the game by the offending team. Ineligible participation would include, but not be limited to: a field player who was not in the game at the end of the second overtime or a shooter taking a second attempt in a cycle before all of the shooter's eligible teammates have taken their first attempts in the same cycle.
- b. Only the head coach and one assistant will be permitted to join the players in the center circle. Remaining players, coaches, and team attendants shall be completely off the field of play and in their team bench areas.

5. Kicking Procedure

a. Participants

- (1) Only those players on the field at the end of the second 10-minute sudden-victory over-time period, including the goalkeeper, are eligible for the penalty kick tiebreaker.
- (2) If the goalkeeper is injured during the penalty kicks and must be removed, the goalkeeper may be replaced by a substitute. This substitute may be selected from any players on the team. However, a goalkeeper, once substituted for, may NOT be reinstated. The substitute for the goalkeeper will take part in the penalty kicks. If a player already on the field replaces the goalkeeper, an additional kicker may be brought in from the bench, but cannot kick until all of the players from that team have kicked. This substitute must be the team's final kicker in each cycle.
- b. The eligible shooters for each team shall take scoring attempts in any sequence the head coach desires. The head coach shall direct each shooter to report to the official at the penalty kick stripe immediately after the completion of the previous shooter's attempt. A shooter may not be changed after reporting to the official. The shooting order need not be the same in the second cycle.

- c. The official shall record the player's name, number, the order in the team's cycle in which the attempt was made, and the result of the kick.
- d. A goalkeeper who is to defend against the next penalty kick attempt shall be stationed outside the field of play at the intersection of the goal line and the penalty area boundary to the side designated by the officials.
- e. If a player who is participating in the tiebreaker is issued a caution, then that player becomes the last player to kick in their next eligible round of kicks. For instance if a player has not kicked in the round of kicks in which the player is cautioned, then that player must be the last kicker in that round. If a cautioned player has already kicked in the round of kicks in which the player is cautioned, then the player may not kick again until the end of their next eligible round of 11 kicks.
- f. If a goalkeeper is cautioned, then rule II.B.5.e. above applies. In addition the cautioned goal-keeper may not defend the next opponent's kick but may return to goal on the subsequent kick. The player replacing the goalkeeper in this situation must be from the players already participating in the tiebreaker.
- g. Any player, including the goalkeeper, who is disqualified may not participate any further and may not be replaced. Any player disqualified who has not kicked in the cycle of 11 becomes the last kicker and the kick is considered a miss. The same applies to subsequent cycles of 11.
- 6. The game shall end and the team declared the winner which has:
 - a. attained an insurmountable lead over its opponent before the initial phase of five penalty kickers is completed; or
 - b. scored more goals than its opponent upon completion of the initial phase of five penalty kickers; or
 - c. scored one more goal than its opponent at any point after each has taken an equal number of shots during the sudden-victory phase of the penalty kick tiebreaker.

III. REGION TOURNAMENT

- A. Tournament Organization
 - 1. The region director is responsible for the assignment of officials and the notification of schools as to the tournament bracket, site, and starting times.
 - a. The region director is responsible for the employment of local officials for region games plus qualified adults as scorers and timers. Two- or three-person crews will be used based upon the wishes of the local jurisdiction of the designated home team.
 - b. The region director shall inform the state committee director and the MPSSAA of the schedule established for competition.
 - 2. The draw for bracket positions (including the breaking of ties) will take place Monday, October 21, in the MPSSAA office via conference call with the state tournament chair. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> the same evening.
 - A team must have played a minimum of nine regular season games prior to the submittal of official records on October 20, 2013 to be eligible for a seeded position in the regional tournament.
 - b. Region directors will verify and submit the official records of all teams through Oct. 19 to the state director by noon on Oct. 20.

- c. The top **two** teams in each **section** will be seeded **1-2** as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship. Ties among the top **two** teams in a **section** will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used.
- d. The remaining teams in each **section** will be placed on the bracket by a blind draw.
- e. The higher-placed team is defined as one who occupies the lower-numbered line position (the favored position), on the bracket in any given round.
- 3. All sectional games will be played at the site of the higher seed throughout the tournament. Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host section. Section I will host in 2013, Section II will host in 2014. The option to conduct region and sectional contests at neutral or central sites remains.
 - a. A site suitable for a regular season game may be unsuitable for a playoff game. Region directors should work with local supervisors to assure that region sites meet field and safety criteria.
 - b. If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
 - c. The MPSSAA executive director may grant permission for region games to be scheduled at a site other than the higher seed in sectional play or the school representing the designated host section in the regional finals. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor's vote will be weighed proportionally to the number of schools he or she represents in that region/section. The request must be received prior to Oct. 1.
- 4. Uniforms shall comply with current Federation rules. The designated home team will wear the **white** jersey and **white** socks. The designated visiting team will wear the dark jersey and dark socks.
- 5. The Soccer Committee will approve for use only those sites that meet the following field criteria:
 - a. The field shall be a minimum size of 110 yds. x 55 yds.
 - b. The field of play shall conform to current NF Rule 1-2, (Articles 1-11).
 - c. It is the responsibility of the host school to provide and enforce crowd control measures in accordance with NF Rule 1-6-1.
 - d. There must be a qualified game manager other than the participating coach.
- 6. When a school cannot meet the game site criteria above, the region director shall designate an alternative site, after consultation with the local supervisor(s) of athletics.
- 7. Region playoffs will begin Oct. 25 and be completed by Nov. 5. The last play date shall be Oct. 23.
- 8. Local MPSSAA districts will collect all revenue and pay all expenses. Site directors shall pay officials and required workers. When funds are not available, fees should be referred to the host district.
