

MPSSAA GIRLS SOFTBALL BULLETIN

State Finals - May 28-29, 2010
University of Maryland, College Park

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Softball tournament. Plans for the tournament were formulated by the Girls State Softball Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Softball Bulletin.
- C. **Eligibility rules for all participants** are defined in MPSSAA Bylaw .02, found in the current Handbook.
- D. **General regulations for all state tournaments** are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. The Girls State Softball Committee IS REQUIRING the use of the OPTIC YELLOW version of the Dudley SB12LND-FP ball during both the region and state tournaments. *It is highly recommended that this same ball be used during the regular season.*
- F. All games, including doubleheaders, will be scheduled as seven inning games.
- G. As allowed in NF Rule 4-2-3, by state adoption, a game called for any reason, where a winner cannot be determined, or any game called at any time for mechanical failure (artificial lights, water systems, etc.) will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, with the lineup and batting order of each team exactly the same as the lineup and batting order at the moment of suspension, subject to the rules of the game.
- H. The Girls State Softball Committee has adopted the rule permitting the courtesy runners and a double first base for play all season long. The double first base will not be used in regional or state tournament games.
- I. The Girls State Softball Committee has adopted rule 4-2-6, which establishes a tiebreaker procedure designed to help expedite the determination of a winner once a game has gone beyond the required number of innings and is tied. The rule will be used during both the region and state tournaments. Individual school systems are encouraged to adopt the rule all season long.
- J. The Girl's State Softball Committee does not endorse rule 3-2-11 and therefore metal cleats and metal toe plates will not be permitted.
