

MPSSAA SWIMMING AND DIVING BULLETIN

State Championships - February 27, 2010
 University of Maryland - College Park

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association (MPSSAA) is the official governing body for the Swimming Championships. Plans for the tournament will be formulated by the State Swimming Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication, as well as those appearing within this Swimming and Diving Bulletin.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02 found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook, in the front section of this publication, and in the National Federation of State High School Swimming rules for administration of Championship/Large Meets. (Located on the swimming and diving page of NFHS.org)
- E. National Federation rulebooks are distributed by the MPSSAA office to every member school offering swimming. It is the responsibility of each coach to read and know the rules.
- F. Officials do a disservice to the sport and student athlete competitors when they set aside rules that apply to illegal uniforms or permit unsportsmanlike acts because they do not want to appear "too picky" or feel that "it is not a major meet." When those student athletes participate in a major competition, where the rules are enforced according to the code, they think that the rules are unfair or that they should have been warned, etc., because "no one called me on this all year." All too often, parents, coaches, and the media argue that the rules are unfair and that officials do not consider how devastating it is to a student athlete disqualified in a major meet because of an illegal uniform or meet conduct violation such as arriving late to the starting blocks. Certainly, this should not happen. However, such disqualifications are ultimately the responsibility of the student athlete and coach. Meet officials who tolerate illegal actions during the season must also assume some responsibility.
- G. **Points of Emphasis**
 - 1. **Jewelry - No jewelry will be allowed during high school swimming competition. (NFHS Rule 3, Section 3, Article 5).**
 - 2. **Unsportsmanlike conduct - including no body writing or temporary tattoos; any offensive permanent tattoos must be covered with tape (NFHS Rule 3, Section 5, Article 1).**
 - 3. **Shaving - No on-site shaving before, during or after a meet (NFHS Rule 3, Section 5, Article 7).**

- H. Each school entering a meet agrees to abide by decisions made by that meet's swim committee. The referee shall resolve protests at dual, triple dual, or tri meets. Protests at the City, County, Conference, or District championships based upon classification or State Meets shall normally be resolved by the Referee. However, if deemed serious enough by the Referee and/or Meet Manager, an Appeals Committee will be convened promptly, to consist of the Meet Manager, Administrative Referee, and Referee, at the site of the meet, to render a decision. The State Rules Interpreter will be a member of the Appeals Committee at the state meet.
- I. The State Swimming Committee has approved the use of Hy-Tek Team and Meet Manager during the regular season. This software will be used during the regional and state meets. All jurisdictions must use the Windows version of HY-Tek Team Manager software to submit entries to the Region managers.
