III. REGION MEET

A. Meet Organization

1. Any team that makes formal application by the established deadline will be entered into the meet. The Entry Deadline and Penalty Deadline for each region meet will be found on the **Tentative Meet Schedule**. The burden of proof is on the school.
2. **Each school may submit two (2) entries per individual event and one (1) team in each relay event.**
 - a. **The top-16 verifiable entries per individual event will have a chance to compete in their respective region meet. Every school in the region may enter a team and compete in the relay events.**

- b. A verifiable entry is a regular season high school event during the current indoor track season that has official results for all competitors and teams competing in that event and is posted on mpssaa.org.
 - c. To have results posted, they must be sent via email to Gerard Filosa at mdstatetrackmeet@gmail.com. The deadline for submitting meet results is January 31.
 - d. The only conversions that will be accepted are hand-timed meets to FAT.
 - e. It is the school's responsibility to provide verified marks and any marks that can not be verified through official regular season results, will result in the entry being reseeded to their next best verifiable mark.
 - f. In the event of a tie for the 16th best mark, all tied competitors will have a chance to compete in the regional meet.
3. An athlete may participate in a maximum of four events. A scratch made after the entry deadline counts as one of the four events an athlete may enter.
4. The following online method for entry must be used.
- a. Directions for entry
