

2017 MPSSAA Basketball Quiz #19

Questions:

1. When a designated out of bounds spot throw-in is behind a backboard, the throw-in shall be made at the free throw line extended. True or False?
2. After a technical foul, the throw-in will be made on either side of the division line. True or False?
3. For an alternating possession throw-in to start the 2nd, 3rd, or 4th quarter, any player from the team with the alternating possession arrow shall make the throw-in from either side of the division line. True or False?
4. B-1 takes a spot on the playing court before A-1 jumps up into the air to catch a pass. After catching the ball, A-1 lands back onto the playing court and makes contact on B-1. The lead official rules a player control foul. True or False?
5. While A-1 is running towards Team A's basket and looks back to receive a fast break outlet pass, B-1 takes a position in the path of A-1, who is four feet away. A-1 runs into B-1 before receiving the outlet pass and the lead official rules a team control foul on A-1. True or False?

Answers:

1. False; Rule 7-5-5.
2. False; Rule 7-5-6 (a).
3. False; Rule 7-5-6 (b).
4. True; Rule 4-23-5 (d).
5. True; Rule 4-23-5 (b. and c.).
