

2017 MPSSAA Basketball Quiz #4

Questions:

1. A-2 is not looking as A-1 attempts to pass the ball to him/her and the ball hits A-2 in the head. The ball continues in flight while the horn sounds and the ball goes into the basket. Does the basket count? Yes or No?
2. On the opening tap between A-1 and B-1, the ball is legally tapped but before there is any team control, A-3 and B-3 both grab hold of the ball at the same time. Any two players may execute the jump ball to continue play. True or False?
3. Airborne tapper A-4 displaces B-5 who is in legal guarding position. The goal is successful but the lead official cancels the goal and rules a player control foul on A-4. True or False?
4. A jump ball ends when the ball touches an official. True or False?
5. A pass is considered to be the movement of the ball caused by a player who throws, bats, or rolls the ball to another player. True or False?

Answers:

1. No; Rule 6.7.6, Case Book-Situation A.
2. False; Rule 6-4-3, Note.
3. True; Rule 6-7-4.
4. True; Rule 4-28-2.
5. True; Rule 4-31.
