

2017-18 MPSSAA BASKETBALL QUIZ #7

Questions:

1. When a player is disqualified, neither team may be granted a time out. True or False?
2. When the ball is at the disposal of Team A for a throw-in, only Team A may be granted a time-out. True or False?
3. A-1 is shooting two free throws. On the first free throw before A-1 releases the ball, A-2 pushes B-2. Team B is in the bonus. How do you handle the situation?
4. When does the act of shooting end?
5. When does a tap end?

Answers:

1. True; Case Book Rule 5.8.3, Situation A.
2. True; Case Book Rule 5.8.3, Situation B.
3. A-1 will shoot their two free throws with no players lined up on the free throw line. After the last free throw, Team B will retain the ball on the end line. If the last free throw is successful, Team B can run the end line. If the last free throw is unsuccessful, Team B has a designated spot throw-in. Team B will not shoot free throws because A-2 's foul is a team control foul.
Rule 7-5-4, 7-5-7, 8-1-3.
4. When the ball is clearly in flight. Rule 4-41-1.
5. The same as a try. When it's successful, not successful, touches the floor or becomes dead.
Rule 4-41-4.
