

## 2018-19 MPSSAA Basketball Quiz #6

### Questions:

1. The sidelines and end lines shall be a minimum of 2-inches in width. True or False?
2. A-3's try is in flight when B-3 deliberately slaps Team A's back board. A-3's try is unsuccessful. The trail official rules basket interference and awards the goal to Team A. True or False?
3. In two-person mechanics, the lead official is primarily responsible for tries in the lane. True or False?
4. The official scorer is now required to wear a black and white vertically striped garment. True or False?
5. A-1 is fouled and is entitled to two free throws. The lead official mistakenly indicates a one and one scenario. A-1 misses the first shot, B-3 rebounds the miss and dribbles the ball into Team B's front court. The trail official now realizes that A-1 was in the act of shooting. The trail official stops play and awards A-1 an additional free throw with all players lined up. True or False?

### Answers:
