

## **2019-20 MPSSAA Basketball Quiz #14**

### **Questions:**

1. What is the procedure when a player is disqualified?
2. A-1 is about to shoot a single bonus. The lead official informs the teams that there will be two shots. The free throw is missed and rebounded in the lane with other players remaining motionless. What is the correct way to handle this situation?
3. A-1 is dribbling the ball in their front court. The dribble strikes the division line and A-1 continues to dribble. The trail official rules a back court violation. True or False?
4. Airborne shooter A-2 is fouled by B-4. Prior to returning to the floor, A-2 illegally contacts B-2 as the ball enters the basket. What is the correct way to handle this situation?
5. A-1 is tapping the ball and is fouled by B-1. As soon as A-1 touches the ball and is fouled, the ball becomes dead immediately. True or False?

### **Teaching Points:**

1. Go over disqualification procedures in your pre-game.
2. Always stay focused and prepared.
3. Go over 9-9-1.
4. Read five Case Book plays every day.
5. Remember a try and a tap are adjudicated the same.

### **Answers:**

1. Notify the Head Coach, request the timer to start the 15-second replacement interval, and then notify the player. NF Manual page 53 (H).
2. Go to the alternating possession arrow due to the misinformation by the lead official and the reaction by the players. Case Book 8.6.1.
3. True; Rule 9-9-1.
4. No goal. A-2 will receive two free throws with no players lined up. If the last free throw is successful, Team B is entitled to run the end line. If the last free throw is unsuccessful, Team B has a designated spot throw-in. This is a false double foul. Case Book 6.7.4.
5. False; Rules 4-41-1; 4-41-5; 6-7-7, Exception a.; 6-7-7.
