WHO CAN PARTICIPATE

Recruits: Those invited by host associations must be currently enrolled in high school and meet the requirements set by either the NFHS or the NCAA.

Coaches: NCAA legislation permits NCAA Divisions I, II and III men's basketball coaches to attend.

Host associations will determine specific admission requirements for coaches and the general public.

Multi-State (players and/or teams from several states for Showcase and/or Jamboree format).

EVENT APPROVAL PROCESS

Scholastic events for high schools in June must be:

- Certified by the NFHS for all NFHS member state high school athletics associations; or
- Certified by the NCAA for all non-NFHS member high school athletics associations.
- All NFHS and NCAA-approved events must be organized and conducted by the applicable high school athletics association and/or applicable state basketball coaches association, or if there is not a state high school basketball coaches association, the state high school coaches association.
