

MPSSAA FOOTBALL BULLETIN

State Finals - Dec. 2, 3, 4, 2021 Navy-Marine Corps Memorial Stadium, Annapolis

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Football tournament. Plans for the tournament were formulated by the State Football Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated on page 1 (Section I) of this publication as well as those appearing within this Football Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Football Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. By State adoption, Maryland has adopted the following rule regarding the use of running time. After the first half, any time the score differential reaches 35 points or more, the following changes, and only these changes, will be made regarding rules determining when the clock will and will not be stopped.
 - a. Once a 35-point differential exists in the second half, the clock will only be stopped when:
 - (1) An official's timeout for an injured participant.
 - (2) A charged (team) time-out occurs.
 - (3) A score occurs that reduces the point spread to less than 35 points (in which case regular timing procedures will be used).
 - (4) A period ends.
 - b. The use of this rule does not preclude the use of Rule 3-1-3 which reads, "A period or periods may be shortened in any emergency by agreement of the opposing coaches and the referee. By mutual agreement of the opposing coaches and the referee, any remaining period may be shortened at any time or the game terminated."

II. REGION AND STATE TOURNAMENT QUALIFYING

- A. Point System Criteria
 - 1. In each of the four classifications, the top eight teams in each region according to the MPSSAA point system will compete in two regional rounds, with two region participants advancing to state play.
 - 2. Point system for tournament selection

For defeating a Class 4A school = 8.0 points For defeating a Class 2A school = 6.0 points

For defeating a Class 3A school = 7.0 points For defeating a Class 1A school = 5.0 points

- a. Nonmember schools will be placed in the proper classification according to member school enrollments based on the enrollments of grades 9, 10, and 11, comparable to MPSSAA classifications. An all-boys or all-girls school enrollment will be multiplied by two.
- b. Policy concerning unplayed games
 - (1) Disbandment or failure to start the season on time will result in a non-game and shall automatically reduce the divisor of the disbanded team's opponent by one game.
 - (2) Disbandment after any part of the schedule has been played will be recorded as a win for the disbanded team's opponents.
- c. Winning team bonus points will be determined as follows:
 - (1) A team playing a 9-game schedule shall receive 1.00 points for each game won by a defeated opponent who also plays a 9-game schedule.
 - (2) A team playing a 9-game schedule shall receive 1.125 points for each game won by a defeated opponent who plays an 8-game schedule.
 - (3) A team playing an 8-game schedule shall receive .889 of a point for each game won by a defeated opponent who plays a 9-game schedule.

 - (6) For each game tied by a tied opponent, a team shall receive 25 percent of awarded points.
 - (7) For each game won by a tied opponent, a team will receive 50 percent of awarded points.
- d. When an MPSSAA member school plays a nonmember opponent who will not play the tiebreaker, the MPSSAA school shall receive points as follows:
 - 4A-4.0 points, 3A-3.5 points; 2A-3.0 points; 1A-2.5 points.
- e. MPSSAA member schools whose opponents play more than a 9-game schedule will:

 - (2) determine points by counting back 9 games from and including the game in which member school appears on opponent's schedule.

- f. The total accumulated points will be divided by 8 or 9, depending on the number of games played. Nine is the maximum divisor and eight is the minimum divisor to qualify for state participation. A team must count all regular season games when using the point system criteria to determine representation.
- g. When a MPSSAA team plays the same opponent twice during the regular season, only the first game should count to determine team record and points. No points (bonus or win points) for any teams will be awarded based on the second game.
- h. If the point system results in a tie, the following procedures will be used in sequence to break the
 - (1) If either team has defeated the other in regular season play, the winner shall be rated above the loser in the standings. If three or more teams are tied and not equally affected by this procedure, criteria two through six are to be utilized.
 - (2) The team with the most bonus points accumulated.
 - (3) The team with the smallest score difference in losses among common opponents.
 - (4) The team with the fewest average points allowed for its entire schedule.
 - (5) The team whose defeated opponents have the highest point average.
 - (6) If the above procedures do not break the tie, it shall be broken by the flip of a coin.
- i. Should a team discontinue play during the course of the season, all opponents shall receive points as would have been awarded for a victory over the team. A school shall not receive points for a team scheduled in place of the withdrawing team after the season has begun.
