

2017 MPSSAA Field Hockey Quiz #1

Questions:

1. The clock is stopped for a goalie substitution from the midfield substitution area. Can a player who is already in the sub area when time is called enter the field at the same time?
2. It is the end of a game when the Red team is leading by a score of 2-0. A corner for the White team is called and time subsequently expires. The Red team coach flagrantly verbally abuses the official. What is the next step?
3. A penalty corner is called as time expires at the end of the first half. Insertion comes out of the circle by a margin of two yards. As the attack attempts to play the ball, it accidentally hits an oncoming defender's foot before the ball enters the circle. The same defender is able to hit the ball down the field. What should the umpire call?
4. The offensive player is air dribbling down the field. A previously established defender holds her ground as the offensive player runs into her. What is the call/no call?
5. At the coin toss at the beginning of the game, the winner of the coin flip chooses to defer her choice to the second half. Is this permissible?
6. The home team is flying a drone over the field during a regular season game. Should this be allowed?
7. The goalie is wearing a chest protector with a collar that stands up into the throat area similar to a "mock turtleneck." Is this permitted?
8. As an attack player is air dribbling down the field, a defender safely approaches. Should the attack player drop the ball to the ground?
