

FH quiz with answers

Situation

The umpire notices the goalie has no wrap-around throat protector.

Penalty

Call a time out. Card the goalie who must leave the field for the duration of the penalty and must be replaced by another fully outfitted goalie. Since the team must play short, the coach shall designate a field player to come off the field for the duration of the card. The original goalie may return after serving their penalty if they comply with the equipment rules.

If the team cannot provide a wrap-around throat protector, that team shall forfeit the game. Rule 1-8-PENALTY p. 14

Situation

A goalie and some field players are waiting in the substitution area. The umpire calls a time out for the goalie substitution. What are the procedures

- a. Should the subbing goalie wait for the goalie whom they are replacing to exit before entering the field?
- b. Should the field players wait for their teammates to exit before entering the field?
- c. Can players who are not in the sub area at the whistle (stopping the clock) run up to enter at the same time?

Answers

In Official's Guide p. 70

- a. There is no need for the goalie in the sub area to wait.
- b. Any field players subbing at the same time must wait until the players being replaced come off the field.
- c. Players not in the sub area at the signaling of the time out may not enter the game during the goalie sub time out. They must wait and play resumes and follow the "during play" substitution rules.

Situation

During a penalty corner, defender #12 enters the circle prior to the insertion. The official sends #12 back to the 50-yard line. The corner is reset with the goalie and 3 defenders behind the endline. During play of the repeated corner where the ball has come one foot outside the circle and reentered, there is a defender foul. During administration of the corner the official notices there are four field players defending. Is this correct?

Answer

Incorrect procedure. Since this is a repeated corner, the team must still play short behind the endline. See criteria for a repeated corner on p. 45 Rule 10-3-1a-f

Situation

At the end of a game where the score is 4-0, the losing team is awarded a penalty corner.

- a. Time expires while the attack is still setting up their corner. Should the corner be played out?
- b. The attack is able to insert the ball with 3 seconds remaining. The horn sounds during play in the circle. Whistle the end of the game?

Answers

While the scoring of a goal would not make any difference in the outcome:

- a. Whistle the end of the game
- b. Allow play to continue

P. 45 Rule 10-3-3 Extended Play Only. If the penalty corner is awarded at the end of the game, the game shall continue in order to complete the penalty corner unless the scoring opportunity of the goal would not influence the outcome of the game. If time expires at the end of a quarter or end of the game after the insertion from the end line, play shall continue until the penalty corner is completed.
