

We are coming to the close of another exciting season. Now is the time to put your best game out there to honor the players and all their hard work. A quick review of the rulebook and the overtime procedures will boost your confidence in your game. A couple of tools to bring with you to the field.

**MPSSAA overtime procedures- print out and carry with you**

A copy of the MPSSAA Bulletin should be at all tables

Make sure your uniform is neat, shoes clean and free of mud.

Always maintain a professional demeanor before, during and after the game.

Thank you for all you have done in the name of field hockey this fall. Your contribution is much appreciated by all participants.
