TEAM NOTES

Anything of interest; team statistics and strengths, honors earned, winning streaks, individual standouts, college prospects, etc.

Our team has been playing games by 20 points or more. The team plays very well together and are making their shots at the right time. We lost 2 regular season games in OT and a total 5 games in the regular season by 5 points or less. We played some very tough teams and never lost hope and never gave up. These girls came to practice everyday, ready to work and get better.
