District	Date(s) of Event	Course(s) & Team Qualifying Score	Female Course Rating/Qualifying Score	Male Course Rating/Qualifying Score
1	9/25 (4A/3A) 9/18 (2A/1A)	4A/3A - Oakmont GC - 328 2A/1A - Black Rock GC - 324	4A/3A - 69.6 / 90 2A/1A - 70.6 / 91	4A/3A - 70.6 / 81 2A/1A - 69.3 / 80

- b. All districts’ course ratings will be used in the equation. The adjustment factor, “X”, will be determined by the state committee and distributed to all district representatives. The state committee determines the “X” factor based on the USGA course ratings of all district courses to provide equity for advancement based on the district course.
 - c. Individuals who shoot the qualifying score are not guaranteed advancement to the state tournament. Individuals must also be in the top one-eighth (1/8) of the remaining players after subtracting participants who advanced with their teams. (Refer to page 39 of this bulletin for further details.)
 - d. District chairpersons may submit six additional qualifying alternates in numerical order.
2. Team advancement to the state tournament.
- a. The four-player team in the 4A/3A and 2A/1A with the lowest aggregate score for 72 holes shall be the district champion.

- b. In addition to the top 4A/3A and 2A/1A team finisher, any team shooting a qualifying score at their district course as determined by an aggregate score of four times the "X" factor plus four strokes will advance to the state tournament. When a female is included in the low four scores, the female "X" factor will be used to determine the aggregate score for team advancement.
