The state committee determines the "X" factor based on the USGA course ratings of all district courses to provide equity for advancement based on the district course.
- c. Individuals who shoot the qualifying score are not guaranteed advancement to the state tournament. Individuals must also be in the top one-eighth (1/8) of the remaining players after subtracting participants who advanced with their teams. (Refer to page 39 of this bulletin for further details.)
- d. District chairpersons may submit six additional qualifying alternates in numerical order.
- 2. Team advancement to the state tournament.
  - a. The four-player team in the 4A/3A and 2A/1A with the lowest aggregate score for 72 holes shall be the district champion.

- b. In addition to the top 4A/3A and 2A/1A team finisher, any team shooting a qualifying score at their district course as determined by an aggregate score of four times the "X" factor plus four strokes will advance to the state tournament. When a female is included in the low four scores, the female "X" factor will be used to determine the aggregate score for team advancement.
- D. General Policies
  - 1. District tournament directors will be responsible for the assignment of duties. It is highly recommended that the representatives from schools at the district tournament be assigned as scorers or marshals.
