RULES AND INTERPRETATIONS

OUTSIDE PARTICIPATION

.02G(1) “The outside participation shall not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior approval has been obtained from the school principal and coach;”

Interpretation: Any factor of a non-school athletic activity that causes a student to miss any portion of a school practice or contest constitutes a conflict.

This would include but is not limited to:

1. Practice
2. Competition
3. Tryouts/qualifying
4. Travel to and from
5. Registration
6. Awards ceremony
7. Etc.

Note: It is expected that high school teams conduct practice for all members or engage in competition every day school is in session during the sports season.

MAXIMUM NUMBER OF CONTESTS PERMITTED DURING A SPORTS SEASON

.03B

Interpretation: The seasonal limitations for each sport refer to one varsity team as well as to any under-squad teams. A school may field only one team that can be classified as “varsity”. The nomenclature of any under-squad, i.e., varsity “B”, junior varsity, freshman, novice, etc., must so designate its non-varsity status. Accordingly, any requirements or qualifying standards to state tournaments can only be satisfied through *varsity competition*.

50% SPORT STAFF

.04B(2)(d) “Teams having more than one coach, emergency coaches may not comprise more than 50 percent of that sport staff.”

Interpretation: The staff of each individual team (Varsity, JV, freshman) represents a separate sport staff.

CARE AND PREVENTION OF ATHLETIC INJURIES

.04B(3) “All coaches shall have completed or be enrolled in a one-credit course in the prevention and care of athletic injuries.”

Interpretation: The following interpretation of that bylaw was agreed upon by formal vote of the MPSSAA Board of Control:

1. The completion of the Care and Prevention Course will be required by August 15, 1989.
2. Coaches beginning employment after August 15, 1989, will have one (1) year to complete the course.
3. **Beginning July 1, 2017, in order for coaches to stay relevant with the care and prevention of athletic injuries to students, all coaches are required to recertify utilizing a local school system approved online course within the last five years.**
4. The major content areas in the course should be:
 - a. Legal Issues
 - b. Introduction to Injury
 - c. Prevention of Injuries
 - d. First Aid/On Field Management of Injuries
 - e. Life Threatening Injuries
 - f. Ankle Injuries
 - g. Knee Injuries

- h. Neck, Spine, Pelvis Injuries
 - i. Shoulder Injuries
 - j. Arm, Hand Injuries
5. Emergency coaches must have completed a Care and Prevention course in the first year of his/her employment.
 6. Local supervisors will certify that coaches have completed the course.
 7. COMAR 13A.05.05.09 states one certified person in CPR shall be available on site at all school-sponsored athletic events. COMAR 13A.05.10.03 states each county board shall develop and implement a high school AED program which shall require, at minimum: (1) one AED onsite in each public high school, which shall be available for use at each school-sponsored athletic event (includes practice and scrimmages); (2) one individual trained in the operation and use of an AED present at each school-sponsored athletic event (includes practice and scrimmages). It is strongly recommended that all coaches complete a course in CPR/AED.

Following is a suggested outline formulated by the MPSSAA Medical Advisory Board (revised April 22, 1998; September 8, 2010; April 17, 2014):

ALL-STAR GAMES PER SPORT

.04C(5) “Individual students may participate in two all-star games per sport, upon the completion of their eligibility in the sport in which this participation occurs.”

Interpretation: Eligibility to participate in a specific sport is automatically forfeited following participation in an all-star event for that sport. The regulations only take jurisdictional control over participation related directly to representation of member schools. All-star selections as a result of camps, open tryouts, summer leagues, or any other non-school affiliated recreational athletic participation are not germane to the regulation.

Factors that constitute an All-Star Contest and violate the intent of the rule prohibiting returning players participating in such contests include:

- a. Players were selected to participate in the contest based on their participation as a member of a high school team. e.g. school records, player statistics, or league honors.
- b. Players were contacted through their school or a representative of their school.
- c. The game was advertised as an All-Star Contest or similar wording that would indicate as an All-Star Contest for current high school students; e.g. Underclassman Game.

OUT-OF-SEASON PRACTICE

.04E(1) “Member MPSSAA schools and coaches of member schools shall confine school practices to the seasonal limitations as defined in Regulation .03 of this chapter.”

Interpretation: Any school group or team gathering consisting of three or more players that has assembled for the purpose of drilling or instruction would constitute a violation. School coaching staffs may work with a maximum of two players per day.

.04E(2) “A coach may not coach a team representing the coach’s school beyond the sports season as defined in Regulation .03 of this chapter.”

Interpretation: Any paid or volunteer coach at a member school may coach a non-school team provided the team has no direct affiliation with the school. When coaching non-school teams, including returning school players on non-school teams, the following criteria shall be observed:

- a. The non-school team may not use a name directly connected with the school;
- b. The non-school team may not use school uniforms, equipment or funds;
- c. The non-school team may not use school facilities except as allowed by local school system guidelines;
- d. The non-school team must meet local school system standards of a non-school team; and
- e. The number of returning school players on the non-school team is limited according to the following timeframe.

Timeframe

- 1. From the start of the fall sports season as defined in Regulation .03, to the last state championship game of the spring season, the outside teams roster does not exceed 80% of the returning players of what would constitute a starting lineup in that sport OR a modified version thereof. i.e., 7-on-7 football, 3-on-3 basketball, indoor soccer, indoor lacrosse, etc.

SPORT	STARTING LINE UP	LIMIT
Baseball	9	7
Basketball	5	4
Cross Country	7	5
Field Hockey	11	8
Football	11	8
Golf	4 State members.....	3
Gymnastics—Boys	6 events	4

Lacrosse	10	8
Soccer	11	8
Softball.....	9	7
Swimming	12 events	9
Tennis	8 State events	6
Track & Field.....	18 events.....	14
Volleyball	6	4
Wrestling	14	11

- 2. From the last state championship game of the spring season to the first day of fall practice, the outside team roster is unrestricted on the number of returning players.

CAMP RULE

.04G(2), (3) “Member MPSSAA schools, member school coaches, school-related organizations, or individuals may not sponsor or conduct a camp in which students who are returning players are involved or participate. A camp composed of several coaches with their respective teams is a violation of this regulation.”

Interpretation: School-related individuals mean any school employee, volunteer, their relative, and/or agents. Coaches may instruct non-school teams at camps.

NOTE: Alleged violations brought by member schools, students or coaches will be investigated by the local superintendent or his/her designee. Those sponsoring and/or conducting a camp that is under investigation will be required to supply supporting data.

MISCONDUCT DETRIMENTAL TO A TOURNAMENT

.07C(11) “If a team or any students participating in a State tournament contest leaves the field of competition before completion of a contest, or fails to continue play when eligible to do so, or is guilty of misconduct detrimental to the tournament, then the team, coach, or students may be suspended from further participation in the current tournament, and from the same tournament in the succeeding year, upon the determination of the tournament committee and the Executive Director.”

Interpretation: Ejection from any district, regional, or State tournament contest is considered misconduct detrimental to the tournament. Coaches, players, and bench personnel ejected from these tournament contests are disqualified from the succeeding contest in that tournament year. Additional sanctions could be imposed depending on the circumstances.

STATE CHAMPIONSHIP CRITERIA

.07D “Expansion of any sport to the State level shall be recommended by the State Board of Control of the MPSSAA and approved by the State Superintendent of Schools after consultation with the local superintendents of schools.”

MPSSAA Criteria:

- a. A minimum of 40% of MPSSAA member schools shall participate in the sport program on a varsity level.
- b. Schools shall be prepared to host home school contests on the school site.
- c. A plan of action shall be submitted to the Executive Director 30 days prior to the spring MPSSAA Board of Control meeting and shall include:
 1. Tournament structure
 2. Estimated budget
 3. Historical background
- d. A state tournament shall evolve from district/regional tournaments.

AWARD CRITERIA

.08A(2) “Awards from outside the school may be given to individual athletes or school teams provided the awards are approved by the local superintendent, **meet MPSSAA guidelines, and the presentation is made at a school approved function.**”

MPSSAA Guidelines: Awards presented by non-school organization(s) to the school and/or athlete, excluding scholarship(s), must display the school name or insignia and team or individual accomplishment. Commercial messages may not be displayed on awards such as articles of clothing, jewelry, luggage, etc.

LOSS OF INSTRUCTIONAL TIME

.09C(3)(d) “Participation in the event is within the USA, does not involve loss of instructional time, and complies with the local school system policies and procedures for school-sponsored travel.”

Interpretation: Events that require out of state travel beyond 300 miles may not involve any loss of school time.

OFFICIALS

Officials for MPSSAA-sponsored athletic contests, both regular and postseason, are to be certified and registered with the MPSSAA office. The MPSSAA coordinator of officials will facilitate this process with all local officials' boards. Registration and certification requirements are as follows:

1. Be at least 18 years of age and a high school graduate.
2. Be a member in good standing with a local MPSSAA-recognized officials' group.
3. Attend an MPSSAA-sponsored rules interpretation clinic for the current year.
4. Pass the National Federation examination (75% is the lowest passing score).
5. Pay the MPSSAA registration fee (through the local officials' association).

Rules Interpretation Clinics

An assigned interpreter will conduct annual rules interpretation clinics for local boards of officials in each sport prior to the opening of each season. Dates, time, and location of all clinics will be published on the officials page of MPSSAA.org. Officials are required to attend a clinic as part of the certification process. Coaches are encouraged to attend.

MPSSAA Semifinal Seeding Cycle

The MPSSAA Executive Council approved establishing a 24-year semifinal seeding cycle based on the 2013-14 pairings as established at the April 26, 2013 Board of Control meeting. The pairings below ensure over any four-year cycle each region will be seeded one through four once, each region will play the other regions four times during a 12-year cycle and semifinal pairings and seeds will not be repeated in consecutive years. While rescheduling so far into the future is at best speculative, the cycle below provides direction into the foreseeable future. The 2016-17 academic year will be the fourth year of the cycle.
