MARYLAND STATE BOARD OF EDUCATION
Subtitle 06 SUPPORTING PROGRAMS

Chapter 03 Interscholastic Athletics in the State

Authority: Education Article, §§2-205 and 2-303(k), Annotated Code of Maryland

.01 Authorization

A. The following regulations have been established by the State Superintendent of Schools to govern the athletic program for all high school students in Maryland public secondary schools which are members of the Maryland Public Secondary Schools Athletic Association (MPSSAA).

B. Local school systems may adopt rules governing their athletic programs that are more restrictive than those of the MPSSAA. Less restrictive rules may not be adopted.

.02 Eligibility

Student eligibility for participation in interscholastic athletics at the high school level shall be based on the following criteria:

A. Students shall be officially registered and attending the member MPSSAA school they are authorized to attend under regulations of the local school system. They may represent only the school in which they are registered and at which it is anticipated they will complete their graduation requirements.

B. Each local school system shall establish standards of participation which assure that students involved in interscholastic athletics are making satisfactory progress toward graduation.

C. Students who are 19 years old or older as of August 31 are ineligible to participate in interscholastic athletics.

D. Students in grades 9, 10, 11, and 12 may participate in interscholastic athletic contests for a maximum of four seasons in any one sport.

E. Middle, intermediate, or junior high school students are not eligible to compete or practice with high school teams. However, ninth grade public school students who reside in the attendance area of a high school organized grades 10—12 may participate in the interscholastic athletic program of that high school.

F. Students shall maintain amateur status as defined by Regulation .10 of this chapter.

G. Students, while participating on a school team, are permitted to participate on sports teams outside of school during the high school sport’s season. This participation shall meet the following criteria:

(1) The outside participation may not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior written approval has been obtained from the school principal and coach;

(2) Students who elect to participate on an outside team and do not participate and practice with the school team throughout the designated sport’s season are ineligible to represent the school in all contests that determine a county, district, regional, or State championship during that sport season.

H. Students shall present to their high school principal a certificate of permission to participate signed by their parent(s) or guardian(s).

I. Students shall be examined and certified to the high school principal as being physically fit to participate in any try-out, practice, or contest of a school team. The examination shall be performed by a licensed physician, certified physician assistant under the supervision of a licensed physician, or certified nurse practitioner.
J. Students legally transferred to another school may participate. “Legally transferred” means a change of residence or a transfer from one school to another by action approved by the local superintendent of schools.

K. Graduates.
   (1) Graduates of high schools are not eligible to practice with or participate on interscholastic sports teams. However, they may participate in the remaining athletic contests of that semester.
   (2) Students are considered graduates when they have completed the work required for graduation and are declared graduates by the local board of education.

A varsity or junior varsity team member of the previous season may not participate in interscholastic competition and in intramurals or school sponsored athletic programs in the same sport outside the sport season.

D. Policies Pertaining to Wrestling.

Students shall have their minimum weight class in which they can wrestle certified by a qualified physician before the students’ first match.

Coaches of member MPSSAA schools, while affiliated with a camp, may not conduct any form of team or group practice involving their school. Such a practice is considered a violation of the out-of-season practice rule defined in Regulation .03 of this chapter.

A member MPSSAA school may not provide school uniforms or equipment for students who attend a camp outside of the defined sports season in Regulation .03 of this chapter.

H. Competitors.

(b) Submit the verification for approval to the State Superintendent of Schools annually before the first practice or athletic competition against a member MPSSAA school team.

Violations, Penalties, and Appeals

A. Failure to comply with these regulations shall constitute a violation which will result in the following penalties against the member MPSSAA school and either the student or the coach, or both. Depending upon the severity of the violation, more than one penalty may be imposed against the member MPSSAA school, student, or coach, or all of the above. Penalties shall be imposed in the order listed below:

   (b) Second——Declare the member MPSSAA school ineligible for championship honors for the current school year in the sport in which the violation occurred.
   (c) Third——Declare the member MPSSAA school on probation for one school year which shall render the school ineligible to compete in any approved State meet or tournament for that year.
   (d) Fourth——Impose additional penalties as may seem justified in the particular case considered.

(2) Against a student:
   (a) First——Declare the student to be ineligible for the next 60 school days following the date the student was found to be in violation. These 60 school days will carry over into the next school year if the violation occurs during the second semester.
   (b) Second——Declare the student to be ineligible to compete in the sport in which the violation occurred during the subsequent season.
   (c) Third——Impose additional penalties as may seem justified in the particular case considered.

(3) Against a coach:
   (a) First——Censure.
   (b) Second——Declare the coach ineligible to coach a team for the current school year in the sport in which the violation occurred.
(c) Third—Declare the coach ineligible to coach a team in any sport for the current year.

(d) Fourth—Impose additional penalties as may seem justified in the particular case considered.

B. Procedure.

(1) First—Any member MPSSAA school, student, or coach shall notify the local supervisor of interscholastic athletics and the MPSSAA Executive Director of the alleged violation.

(2) Second—The superintendent or the superintendent’s designee of the local school system in which the school allegedly in violation is located shall convene a hearing within 5 school days.

(3) Third—If the superintendent or the superintendent’s designee of the local school system in which the school allegedly in violation is located concludes that a violation has occurred, a penalty shall be imposed in accordance with this regulation.

(4) Fourth—A report of the hearing and decision in the local school system shall be forwarded to the Executive Director of the MPSSAA.

(5) Fifth—The MPSSAA Executive Director, in consultation with the appropriate committees, or the Executive Council of the MPSSAA, shall review the report of the local hearing and decision in the local school system. The MPSSAA Executive Director shall either accept the penalty imposed or modify the penalty in accordance with this regulation.

C. Penalties imposed by local school systems for violations of local school system rules adopted in accordance with Regulations .01B and .02 B shall be uniform with the penalties designated in Regulation .05A of this chapter.

D. Appeals.

(1) A member MPSSAA school, student, or coach may appeal the imposed penalty within 30 days and request a hearing before the Appeals Committee of MPSSAA.

(2) The Appeals Committee of the MPSSAA serves in a quasi-judicial capacity.

(3) The membership of the MPSSAA Appeals Committee shall include one representative from each district in the Association and a representative from the Association of Secondary School Principals. Five members will constitute a quorum.

(4) The MPSSAA Executive Director shall notify the Appeals Committee of the hearing and establish a date, time, and hearing site. The appealing school, student, or coach, or all of the above, shall be notified of the date, site, and time of the hearing.

(5) The MPSSAA Executive Director or the Executive Director’s designee shall present the case to the Appeals Committee on behalf of the MPSSAA.

(6) The principal of the involved school, the student, or coach, or all of the above, shall present grounds for appeal. If appropriate, the local school system’s supervisor of interscholastic athletics involved in the appeal may present the case.

(7) The MPSSAA Appeals Committee shall convene in closed session and vote to deny or uphold the appeal or modify the penalty. A majority vote is required to deny or uphold an appeal or modify the penalty.

(8) The MPSSAA Appeals Committee shall report its findings to the concerned parties.

(9) Any party aggrieved by the MPSSAA Appeals Committee decision may appeal the decision to the State Superintendent of Schools within 30 days after receipt of the Appeals Committee decision. The State Superintendent of Schools, upon examination of the facts, may, in his or her discretion, allow the appeal and appoint a special committee of three local superintendents of schools to hear the appeal. The committee of superintendents may deny or uphold the appeal or modify the penalty.
(10) Unless otherwise ordered by the State Superintendent of Schools, the application for appeal to the State Superintendent of Schools may not stay the enforcement of the MPSSAA Appeals Committee decision, or excuse the person affected thereby from complying with its terms.

(11) The decision of the committee of local superintendents of schools is final.

(12) A member of the MPSSAA Appeals Committee or the committee of local superintendents of schools may not hear an appeal if that member has offered advice, made a recommendation, rendered a decision, or in any other way participated in the case being appealed.

.06 Classification

A. For the purpose of parity in competition in meets and tournaments administered by the MPSSAA, member schools shall be divided into classifications based on enrollment. If, in this calculation, two or more schools with equal enrollments fall between two classifications, they shall be placed in the lower classification.

B. The local superintendent of schools shall submit to the MPSSAA Executive Director a report on the actual school enrollment of students in Grades 9, 10, and 11 in each of the member MPSSAA schools as of September 30, in each even-numbered year. The MPSSAA Executive Director and Classification Committee shall present a recommendation for classification of member schools for each MPSSAA-administered sport to the MPSSAA Board of Control for adoption. Classification shall be determined every 2 years based on the September 30 enrollment of the previous year.

C. When the MPSSAA Board of Control adopts classifications for member schools, the classifications shall remain in effect for the next 2 school years.

D. A new member MPSSAA school that opens or a member school whose enrollment is significantly changed by growth or consolidation during the two-year period shall be placed in the proper classification by the Classification Committee. “Significantly changed” means a decrease or an increase in enrollment of more than 25 percent. This new placement shall affect only the involved school and may not affect the classification of other member schools.

E. When a member MPSSAA school does not have all three grades included in the enrollment figures upon which the classification is based in the even-numbered year, but will have all three grades in the following odd-numbered year when classification becomes effective, the enrollment figure shall include the existing grades and average of the current class sizes applied to each projected grade.

.07 State Tournament Policies

A. The MPSSAA games or tournament committees representing all of the districts shall administer and supervise tournaments in the various sports at the district, regional, and State level.

B. All participating schools shall abide by the rules established by each MPSSAA tournament committee.

C. Although certain aspects of a tournament may vary from year to year, the following basic policies shall be observed by all tournament committees:

(1) The tournament may not interfere with local board of education policy.

(2) A member MPSSAA school or local school system may decide whether or not to participate in the tournament.

(3) A member MPSSAA school shall compete in its classification when the tournament is so structured.

(4) Certified and approved officials’ organizations shall be assigned games in a fair, equitable, and nondiscriminatory manner.

(5) All awards and recognition shall conform to Regulation .08.

(6) MPSSAA tournament committees shall make every effort to establish game sites to avoid extensive travel for participating teams.
(7) All policy and procedure changes for State tournaments shall be subject to the approval of the MPSSAA Executive Council with the Association Tournament Committee serving in an advisory capacity. Emergency decisions on tournament policies and procedures may be made by the MPSSAA Executive Director.

(8) When a student is found ineligible during the progress of a tournament, the contest last played shall be forfeited, and the team which was defeated shall take its place.

(9) “All-star teams” or best “individual athlete” awards may not be selected from approved tournaments.

(10) Sports at the State tournament level shall be governed by approved game rules.

(11) If a team or any students participating in a State tournament contest leaves the field of competition before completion of a contest, or fails to continue play when eligible to do so, or is guilty of misconduct detrimental to the tournament, then the team, coach, or students may be suspended from further participation in the current tournament, and from the same tournament in the succeeding year, upon the determination of the tournament committee and the Executive Director.

(12) The rules of the MPSSAA do not provide authority to order games replayed. Protests arising from decisions and interpretations by officials during the game will not be considered. Officials’ decisions and interpretations are final.

D. Expansion of any sport to the State level shall be recommended by the State Board of Control of the MPSSAA and approved by the State Superintendent of Schools after consultation with local superintendents of schools.

E. Tournament rules and procedures established by the MPSSAA may be appealed on behalf of a student, coach, or school by a local superintendent to the State Superintendent of Schools. The appeal shall be adjudicated by a committee of three local superintendents of schools appointed by the State Superintendent of Schools. The decision of the committee shall be final.

.08 Awards and Recognition

A. Awards may be made as follows:

(1) A school, school related, or nonprofit group may purchase and present to a student for athletic achievement a school insignia, medal, pin, or similar article;

(2) Awards from outside the school may be given to individual athletes or school teams provided the awards are approved by the local superintendent, meet MPSSAA guidelines, and the presentation is made at a school-approved function.

B. Recognition of student athletes and teams, other than through awards, shall be limited to appreciation banquets approved by the local superintendent.

.09 Sanction Rules

RULES AND INTERPRETATIONS

OUTSIDE PARTICIPATION

.02G(1) “The outside participation shall not conflict with the practice or contests schedule of the school including district, regional, and State championship play unless prior approval has been obtained from the school principal and coach.”

Interpretation: Any factor of a non-school athletic activity that causes a student to miss any portion of a school practice or contest constitutes a conflict.

This would include but is not limited to:
1. Practice
2. Competition
3. Tryouts/qualifying
4. Travel to and from
5. Registration
6. Awards ceremony
7. Etc.

Note: It is expected that high school teams conduct practice for all members or engage in competition every day school is in session during the sports season.

MAXIMUM NUMBER OF CONTESTS PERMITTED DURING A SPORTS SEASON

.03B

Interpretation: The seasonal limitations for each sport refer to one varsity team as well as to any under-squad teams. A school may field only one team that can be classified as “varsity”. The nomenclature of any under-squad, i.e., varsity “B”, junior varsity, freshman, novice, etc., must so designate its non-varsity status. Accordingly, any requirements or qualifying standards to state tournaments can only be satisfied through varsity competition.

50% SPORT STAFF

.04B(2)(d) “Teams having more than one coach, emergency coaches may not comprise more than 50 percent of that sport staff.”

Interpretation: The staff of each individual team (Varsity, JV, freshman) represents a separate sport staff.

CARE AND PREVENTION OF ATHLETIC INJURIES

.04B(3) “All coaches shall have completed or be enrolled in a one-credit course in the prevention and care of athletic injuries.”

Interpretation: The following interpretation of that bylaw was agreed upon by formal vote of the MPSSAA Board of Control:

1. The completion of the Care and Prevention Course will be required by August 15, 1989.
2. Coaches beginning employment after August 15, 1989, will have one (1) year to complete the course.
3. Beginning July 1, 2017, in order for coaches to stay relevant with the care and prevention of athletic injuries to students, all coaches are required to recertify utilizing a local school system approved online course within the last five years.
4. The major content areas in the course should be:
   a. Legal Issues
   b. Introduction to Injury
   c. Prevention of Injuries
   d. First Aid/On Field Management of Injuries
   e. Life Threatening Injuries
   f. Ankle Injuries
   g. Knee Injuries
h. Neck, Spine, Pelvis Injuries
i. Shoulder Injuries
j. Arm, Hand Injuries

5. Emergency coaches must have completed a Care and Prevention course in the first year of his/her employment.

6. Local supervisors will certify that coaches have completed the course.

7. COMAR 13A.05.05.09 states one certified person in CPR shall be available on site at all school-sponsored athletic events. COMAR 13A.05.10.03 states each county board shall develop and implement a high school AED program which shall require, at minimum: (1) one AED onsite in each public high school, which shall be available for use at each school-sponsored athletic event (includes practice and scrimmages); (2) one individual trained in the operation and use of an AED present at each school-sponsored athletic event (includes practice and scrimmages). It is strongly recommended that all coaches complete a course in CPR/AED.

Following is a suggested outline formulated by the MPSSAA Medical Advisory Board (revised April 22, 1998; September 8, 2010; April 17, 2014):

ALL-STAR GAMES PER SPORT

.04C(5) “Individual students may participate in two all-star games per sport, upon the completion of their eligibility in the sport in which this participation occurs.”

Interpretation: Eligibility to participate in a specific sport is automatically forfeited following participation in an all-star event for that sport. The regulations only take jurisdictional control over participation related directly to representation of member schools. All-star selections as a result of camps, open tryouts, summer leagues, or any other non-school affiliated recreational athletic participation are not germane to the regulation.

Factors that constitute an All-Star Contest and violate the intent of the rule prohibiting returning players participating in such contests include:

a. Players were selected to participate in the contest based on their participation as a member of a high school team, e.g. school records, player statistics, or league honors.
b. Players were contacted through their school or a representative of their school.
c. The game was advertised as an All-Star Contest or similar wording that would indicate as an All-Star Contest for current high school students; e.g. Underclassman Game.
OUT-OF-SEASON PRACTICE

.04E(1) “Member MPSSAA schools and coaches of member schools shall confine school practices to the seasonal limitations as defined in Regulation .03 of this chapter.”

Interpretation: Any school group or team gathering consisting of three or more players that has assembled for the purpose of drilling or instruction would constitute a violation. School coaching staffs may work with a maximum of two players per day.

.04E(2) “A coach may not coach a team representing the coach’s school beyond the sports season as defined in Regulation .03 of this chapter.”

Interpretation: Any paid or volunteer coach at a member school may coach a non-school team provided the team has no direct affiliation with the school. When coaching non-school teams, including returning school players on non-school teams, the following criteria shall be observed:

a. The non-school team may not use a name directly connected with the school;
b. The non-school team may not use school uniforms, equipment or funds;
c. The non-school team may not use school facilities except as allowed by local school system guidelines;
d. The non-school team must meet local school system standards of a non-school team; and
e. The number of returning school players on the non-school team is limited according to the following timeframe.

Timeframe

1. From the start of the fall sports season as defined in Regulation .03, to the last state championship game of the spring season, the outside teams roster does not exceed 80% of the returning players of what would constitute a starting lineup in that sport OR a modified version thereof, i.e., 7-on-7 football, 3-on-3 basketball, indoor soccer, indoor lacrosse, etc.

2. From the last state championship game of the spring season to the first day of fall practice, the outside team roster is unrestricted on the number of returning players.

CAMP RULE

.04G(2), (3) “Member MPSSAA schools, member school coaches, school-related organizations, or individuals may not sponsor or conduct a camp in which students who are returning players are involved or participate. A camp composed of several coaches with their respective teams is a violation of this regulation.”
Interpretation: School-related individuals mean any school employee, volunteer, their relative, and/or agents. Coaches may instruct non-school teams at camps.

NOTE: Alleged violations brought by member schools, students or coaches will be investigated by the local superintendent or his/her designee. Those sponsoring and/or conducting a camp that is under investigation will be required to supply supporting data.

MISCONDUCT DETRIMENTAL TO A TOURNAMENT

.07C (11) “If a team or any students participating in a State tournament contest leaves the field of competition before completion of a contest, or fails to continue play when eligible to do so, or is guilty of misconduct detrimental to the tournament, then the team, coach, or students may be suspended from further participation in the current tournament, and from the same tournament in the succeeding year, upon the determination of the tournament committee and the Executive Director.”

Interpretation: Ejection from any district, region, or State tournament contest, failure of schools to follow state tournament policies and/or disruptive actions of students, coaches, school supporters, or administrators are considered misconduct detrimental to the tournament. Coaches, players, and bench personnel ejected from these tournament contests are disqualified from the succeeding contest in that tournament year. Additional sanctions such as, but not limited to, state tournament probation, disqualification from state tournaments in succeeding years, or disqualification from additional state tournaments in the same year, could be imposed depending on the circumstances.

STATE CHAMPIONSHIP CRITERIA

.07D “Expansion of any sport to the State level shall be recommended by the State Board of Control of the MPSSAA and approved by the State Superintendent of Schools after consultation with the local superintendents of schools.”

MPSSAA Criteria:

a. A minimum of 40% of MPSSAA member schools shall participate in the sport program on a varsity level.

b. Schools shall be prepared to host home school contests on the school site.

c. A plan of action shall be submitted to the Executive Director 30 days prior to the spring MPSSAA Board of Control meeting and shall include:

1. Tournament structure
2. Estimated budget
3. Historical background

d. A state tournament shall evolve from district/regional tournaments.

AWARD CRITERIA

.08A(2) “Awards from outside the school may be given to individual athletes or school teams provided the awards are approved by the local superintendent, meet MPSSAA guidelines, and the presentation is made at a school approved function.”

MPSSAA Guidelines: Awards presented by non-school organization(s) to the school and/or athlete, excluding scholarship(s), must display the school name or insignia and team or individual accomplishment. Commercial messages may not be displayed on awards such as articles of clothing, jewelry, luggage, etc.

LOSS OF INSTRUCTIONAL TIME

.09C(3)(d) “Participation in the event is within the USA, does not involve loss of instructional time, and complies with the local school system policies and procedures for school-sponsored travel.”

Interpretation: Events that require out of state travel beyond 300 miles may not involve any loss of school time.
Officials for MPSSAA-sponsored athletic contests, both regular and postseason, are to be certified and registered with the MPSSAA office. The MPSSAA coordinator of officials will facilitate this process with all local officials’ boards. Registration and certification requirements are as follows:

1. Be at least 18 years of age and a high school graduate.
2. Be a member in good standing with a local MPSSAA-recognized officials’ group.
3. Attend an MPSSAA-sponsored rules interpretation clinic for the current year.
4. Pass the National Federation examination (75% is the lowest passing score).
5. Pay the MPSSAA registration fee (through the local officials’ association).

Rules Interpretation Clinics

An assigned interpreter will conduct annual rules interpretation clinics for local boards of officials in each sport prior to the opening of each season. Dates, time, and location of all clinics will be published on the officials page of MPSSAA.org. Officials are required to attend a clinic as part of the certification process. Coaches are encouraged to attend.
