Coaches do a disservice to the sport and to competitors when they fail to scratch an athlete prior to the entry deadline with full knowledge that the athlete will be unable to compete in the entered event. Failure to afford those participation opportunities to other willing competitors may be considered misconduct detrimental to the tournament as outlined in the MPSSAA Handbook.

2. Teams shall register for their respective region meets on MileSplit at the beginning of the season in order to receive important communications from their respective region meet directors.
3. An application received after the Region Meet Entry Deadline (7 days prior to the start of the meet) must be accompanied by a check, payable to the MPSSAA, in the amount of \$100.00, or the entry is invalid. The burden of proof is on the school. In no case will a team be entered into a region meet if the Region Meet Director does not have the completed application and \$100 late fee (if applicable) in hand by the Penalty Deadline (five calendar days prior to the start of the meet).

4. Each school may submit three (3) entries per individual event and one (1) team in each relay event.
  - a. The top 24 verifiable entries per individual event will have a chance to compete in their respective region meet. Every school in the region may enter a team and compete in the relay events.
  - b. A verifiable entry is a regular season high school event during the current indoor track season that has official results for all competitors and teams competing in that event and is posted on Mile-Split.
  - c. The only conversions that will be accepted are hand-timed meets to FAT. Actual results for the 1-mile and 2-mile runs may be used, but not converted, for entries into the 1600m and 3200m runs.
  - d. It is the school's responsibility to provide verified marks and any marks that can not be verified through official regular season results, will result in the entry being reseeded to their next best verifiable mark.
  - e. In the event of a tie for the 24th best mark, all tied competitors will have a chance to compete in the regional meet.
5. An athlete may participate in a maximum of four events.
6. You may make revisions until the *Penalty Deadline Date* established for your meet.
7. A scratch in an individual event is due *FOUR calendar days* before the start of the meet to the region director (Scratch Deadline Date).
8. After the Scratch Deadline Date, the meet is seeded and no changes to accepted entries can be made. In addition, after that deadline, all entries in individual events count as an event that the athlete has participated in.

  - b. Log in to your coach account.
