GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Indoor Track championships. Plans for the championships were formulated by the State Indoor Track Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Indoor Track Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Track and Field Rule Book will be followed.
- C. By State adoption, the State Track and Field Committee has adopted the following rule regarding the maximum number of events for an athlete. An athlete may participate in a maximum of six events.
- D. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- E. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- F. Coaches do a disservice to the sport and to competitors when they fail to scratch an athlete prior to the entry deadline with full knowledge that the athlete will be unable to compete in the entered event. Failure to afford those participation opportunities to other willing competitors may be considered misconduct detrimental to the tournament as outlined in the MPSSAA Handbook.
- G. Students may not compete as a representative of their school in any event that is not part of the state championship series after the date of the first statewide region meet.

- 2. An application received after the Region Meet Entry Deadline must be accompanied by a check, payable to the MPSSAA, in the amount of \$100.00, or the entry is invalid. The burden of proof is on the school. In no case will a team be entered into a region meet if the Region Meet Director does not have the completed application and \$100 late fee (if applicable) in hand by the Penalty Deadline (five calendar days prior to the start of the meet).
- 3. Each school may submit three (3) entries per individual event and one (1) team in each relay event.

- (a.) The top 12 verifiable entries per individual event will have a chance to compete in their respective region meet. Every school in the region may enter a team and compete in the relay events.

- (c.) The only conversions permitted, other than hand-timed converted to FAT, will be for the 1600m (1500m and 1 mile) and 3200m (3000m and 2 mile). Conversions must be made using the conversion calculator tool on the MPSSAA's Indoor Track and Field section.
- (d.) It is the school's responsibility to provide verified marks and any marks that can not be verified through official regular season results, will result in the entry being reseded to their next best verifiable mark.
- (e.) In the event of a tie for the 12th best mark, all tied competitors will have a chance to compete in the regional meet.
- You may not make any changes (except scratches) to your entries once the entry deadline has passed; no additions or seed time/mark revisions will be permitted after the entry deadline. It is the coach's responsibility to make sure all entries are correct before the entry deadline.
- A scratch in an individual event is due **THREE** calendar days before the start of the meet to the region director (Scratch Deadline Date).
- After the Scratch Deadline Date, the meet is seeded and no changes to accepted entries can be made. In addition, after that deadline, all entries in individual events count as an event that the athlete has participated in.

 - (a.) Go to <www.athletic.net>, the site hosting the online entry process.
 - (b.) Log in to your coach account.

- The Meet Director or Meet Administrator has the right to challenge any entry that does not have a verifiable performance throughout the current Indoor Track season. The Meet Director or Meet

- Administrator will notify the coach of the concern and may adjust entry to the best verifiable performance for the current season. If this changes the top 12, the next verifiable mark will be entered.
