- 4. Responsibilities of Region Tournament Director:
 - a. Notify schools as to their bracket position, site of upcoming contest, and starting time.

Two- or three-person crews will be used based on the wishes of the local jurisdiction of the designated home team in the regional quarterfinals and semifinals. For region finals, the region director shall employ a three-person crew from the officials' board local to the designated home team. This may be done in consultation with the local Supervisor of Athletics.
 - c. Inform the state committee director and MPSSAA of the schedule established for competition.
- 5. The tournament seeding will take place Monday, May 8 in the MPSSAA office via conference call with each respective state tournament chair. Tournament pairings will appear on the MPSSAA web site <mpssaa.org> later that day.

 - b. All teams in each region will be seeded as determined by regular season winning percentage, excluding the one additional tournament and any city, county, or conference championship.
 - c. Teams with less than nine varsity games played will be seeded based on a regular season winning percentage using a divisor of nine games.
 - d. Ties among teams in a region will be first broken by head-to-head competition to determine the higher seed. This applies if all tied teams meet the criteria. If head-to-head does not break the tie, a coin toss will be used to determine the order of seeding.
 - e. The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.
- 6. Unless a specific alternative plan has been approved, all teams in regional play will abide by the following guidelines.
 - a. All region games will be played at the site of the higher seed throughout the tournament.
 - b. If circumstances render a home site unplayable, the region director shall designate another site upon consultation with the local Supervisor(s) of Athletics. The designated home team will remain unchanged.
