Policies for all Tournament Bulletins

This publication contains information pertaining to state tournament competition for the fall season. It is divided into two sections. The first section contains information pertinent to all tournaments. The second section contains the particular rules for each sport.

The bulletins are available on the MPSSAA website and copies may be made by local school systems and member schools to provide a copy to the principal, athletic director, and each head coach for the fall season. It is the school's responsibility to read and follow the guidelines provided in this publication.

I. STATE TOURNAMENT POLICIES

- A. The Maryland Public Secondary Schools Athletic Association games or tournament committees, each representing all of the nine districts shall administer and supervise tournaments in the various sports at the district, region, and state level.
- B. All participating schools shall abide by the rules established by the tournament committee.
- C. Although certain aspects of a tournament may vary from year to year, the following basic policies shall be observed by all tournament committees:
 1. A tournament may not interfere with local school policy.
 2. A school or school system has the privilege and right to decide whether or not it will participate in a tournament.
 3. A school shall compete in its classification when a tournament is so structured.
 4. Student-athletes may only participate in MPSSAA post-season events when their regular season coincides with the season in which the state championship is held.
 5. Certified and approved officials organizations shall be assigned games in a fair, equitable, and nondiscriminatory manner.
 6. All awards and recognition shall conform to MPSSAA Bylaw .08.
 7. A tournament committee shall make every effort to establish game sites that minimize extensive travel for participating teams.
 8. All policy and procedure changes for a state tournament shall be subject to the approval of the MPSSAA Executive Council with the Association's tournament committee serving in an advisory capacity. Emergency decisions on tournament policies and procedures may be made by the MPSSAA Executive Director.
 9. When a contestant is found ineligible during the progress of a tournament, the contest last played shall be forfeited, and the team that was defeated shall take its place.
 10. All-star teams or best individual athlete awards MAY NOT be selected from an approved tournament.
 11. Sports at the state tournament level shall be governed by approved game rules.
 12. If a team or any student participating in state tournament play leaves the field of play before the completion of a contest, or fails to continue play when eligible to do so, or is guilty of "misconduct detrimental to the tournament", then the team, coach, contestant or contestants may be suspended from further participation in the current tournament and from the same tournament in the succeeding year, upon the determination of the tournament committee and the Executive Director. In addition, refer to section labeled "Misconduct Detrimental to a Tournament" (page 37 in the current MPSSAA Handbook).

13. The rules of the Association do not provide authority to order games replayed. Protests arising from decisions and interpretations by officials during the game will not be considered. Officials decisions and interpretations are final.
14. All suspended games will be continued from the point at which they were interrupted.
15. Expansion of any sport to the state level shall be recommended by the MPSSAA's Board of Control and approved by the state superintendent of schools after consultation with local superintendents of schools.
16. Unmanned Aircraft Systems (Drones): In the interest of public safety and competitive equity, the use of unmanned aircraft systems (drones) is prohibited during MPSSAA district, region, and state tournament competition. Unmanned aircraft systems may not operate in airspace over host school grounds or facilities conducting MPSSAA events.

D. Region Seeding

1. Unless otherwise stated in this bulletin in a particular sport section, teams are seeded in the region tournament according to the best regular season winning percentage. If two teams are tied, the first tie-breaker is head-to-head results. If teams are still tied, a coin toss determines the higher seed.
2. When applying tie breaking procedures in instances where three or more teams are tied for a particular seed, the criteria must affect all three (or more) teams equally or proceed to the next tie breaker criteria. For instance, if team A beat team B, and team B beat team C, but team A and team C did not play, this criteria does not affect all teams equally – proceed to the next criteria. Also, in instances where three or more teams are tied, and a particular criteria applies to all three equally, the criteria may only distinguish the one team among the group that earns the higher seed. The remaining two (or more) teams are then re-evaluated beginning with the first criteria.
3. When calculating winning percentage, the total number of regular season wins (1 point each) and ties (1/2 point each) are added and then divided by the total number of games completed (divisor). In the following sports, if a team has not completed the minimum number of games specified, the divisor becomes the number indicated below (instead of the total number of games).
(i.e. If a soccer team is 7-1-1, its winning percentage is $7.5/9 = 83.3\%$. If a soccer team has a record of 7-0-1 with only 8 complete games, its winning percentage is $7/9 = 77.7\%$.)

Sport	Maximum	Minimum	Sport	Maximum	Minimum
Baseball	18	14	Lacrosse	12	9
Basketball	20	15	Soccer	12	9
Field Hockey	12	9	Softball	18	14
Football	10	8	Volleyball	15	12

4. The policy regarding a "NON-GAME/FORFEIT" on a team schedule is as follows:
 - (a.) In order for a contest to be declared a forfeit, it must satisfy the following criteria:
 - i. There must be a written contract, signed by both Principals, including the time, place, and date of the contest. For teams participating in the same league or conference, the official league or conference schedule shall serve the purpose of a written contract.
 - ii. The head county/league/conference administrator of both schools shall agree that the contest be regarded as a forfeit. In instances where the head administrators do not agree, the MPSSAA Executive Director shall decide. For games against out-of-state teams, the Executive Director (or equivalent) of both states shall agree in order for the contest to be declared a forfeit.
 - iii. The forfeit shall be applied to the season records of both participating teams (a win by forfeit for one team, a loss by forfeit for the other).
 - (b.) A game may be declared a forfeit under the following circumstances:

- i. A team deliberately or inadvertently fails to arrive at the designated site/time (except for extraordinary circumstances or unless mutually agreed upon in advance by the participating schools). Extreme traffic or a bus failing to arrive would be examples of “extraordinary circumstances”. This provision does not include complications arising from rescheduling a game which was previously postponed or cancelled.
 - ii. A team disbands either temporarily or permanently. Under this provision, a team must have played at least one regular season game in order for an opponent(s) to be awarded a forfeit.
 - iii. A team or individual player on a team violates MPSSAA regulations. Under this provision, the MPSSAA Handbook specifies conditions under which a forfeit may be declared.
 - iv. One or both teams are unable to complete a contest according to prevailing MPSSAA or NFHS rules.
5. Once the region seeding is complete and the brackets released, **any corrections due to errors in records or winning percentages will only be made up until 10 AM the following morning.** No changes will be made to the seeding or brackets after that time.

II. RESPONSIBILITIES OF SCHOOLS PARTICIPATING IN A TOURNAMENT

- A. It is the responsibility of schools to work with region directors to accurately report schedules, results and records for the purpose of tournament seeding. Failure to do so in a timely and accurate manner significantly hinders the smooth operation of the state tournament and may be considered “misconduct detrimental to the tournament” as outlined in the MPSSAA Handbook.
- B. Postponed contests shall be rescheduled on the next available (nonscheduled) playing date. Any disagreements shall be referred to the appropriate local supervisor(s) for resolution.
- C. All schools entering a tournament must agree to arrangements made by its tournament committee. This includes the time and place of each game and the selection of officials. All games will be played under the rules of the MPSSAA. In cases not covered by written regulations, the tournament committee in charge is empowered to make decisions.
 1. A school may not request a postponement of any tournament game because of illness, injury, or unavailability of some of its players.
 2. A school is responsible for seeing that all its players are protected by insurance in the event of injury.
- D. Games will be played on a basis of shared responsibilities. Personnel from the visiting schools must accept their joint responsibilities with the persons in charge for the supervision and maintenance of good behavior on the part of the students, spectators, and participants. Good sportsmanship, exemplary behavior, and protection of property are of primary importance before, during and after each contest. It is recommended that faculty representatives of the competing teams anticipate and study problems that could arise from such contests and plan cooperatively to deal with these problems.
- E. Schools hosting region tournament games are responsible to provide a qualified game manager other than the participating coach.
- F. The MPSSAA provides a hard copy of the NFHS rulebooks and electronic copies of the MPSSAA Bulletins to all member schools each season. Schools are expected to maintain access to those publications and require teams to have them available at all playoff contests. It is highly recommended that these materials are presented to officials and reviewed at pre-game meetings to verify their availability as a reference during the contest. For instance, unique overtime procedures outlined in a sport-specific bulletin should be reviewed.
- G. The possession or use of any alcoholic beverage or nonalcoholic substitute (i.e. nonalcoholic champagne) is considered to be “conduct detrimental to a tournament”. An individual or team using such products in any form of consumption or celebration will be subject to disciplinary action.

III. POINT OF EMPHASIS

The MPSSAA would like to make a point of emphasis for coaches. Coaches are reminded that you set the tone for your team and are the foremost influential figures representing your school. Your coaching attire and actions should reflect a professional approach that signifies a respect for the game, respect for your school and respect for yourself.

IV. COMPLIMENTARY PASSES

- A. Complimentary passes are provided for coaches and administrators only.
 - 1. Passes are distributed through local supervisors.
 - 2. Each pass should have the bearer's name printed on the pass prior to distribution.
 - 3. A valid driver's license is required to be displayed with each pass.
 - 4. Admission to Regular Season Events is subject to Local School System Rules.
- B. Additional special passes will be distributed for some tournaments. Those passes will admit the bearer only.
- C. All other individuals age 7 years or older will be charged admission to any MPSSAA event.

V. RADIO AND TELEVISION

Radio and television coverage of the playoffs and championship games will be allowed by any station that is awarded a contract by the MPSSAA. Radio and television contracts must be awarded through the Executive Director. Schools will be notified by the Executive Director of approved broadcasters.

VI. MEDICAL PERSONNEL

The MPSSAA has budgeted for qualified medical personnel to be employed at each semifinal and final game. Host schools should employ those medical personnel from local sources. Medical personnel will be paid at the local rate. Schools entering the tournament agree to accept the recommendation of the medical professional assigned by the MPSSAA to cover the event.

VII. THUNDER AND/OR LIGHTNING

If thunder and/or lightning can be heard or seen, participants, spectators, and staff are in danger. Contests must be stopped and protective shelter sought immediately. In the event that either situation should occur, 30 minutes will be allowed to pass after the last sound of thunder and/or lightning strike before resuming play.

VIII. POLICE PROTECTION

The game director at each site will employ adequate police protection to supervise parking lots and assist with crowd control.

IX. SCHOOL REIMBURSEMENT

The MPSSAA Finance Committee has authorized set funding to be distributed to MPSSAA Districts for the purpose of assisting with some of the travel expenses incurred by schools participating in regional and state tournaments. Each local district shall determine their local process for distribution of reimbursement funds based on participation in MPSSAA regional and state competitions.

Health and Safety

I. GENERAL HEALTH AND SAFETY POLICIES AND PROCEDURES

- A. All participants, coaches, officials, administrators, spectators, and any other individual present at any interscholastic athletic practice or competition must adhere to the local educational agency policies pertaining to health and safety policies.
- B. Multi-Jurisdictional Competition - During any multi-jurisdictional competition, the policies and procedures of the hosting site's jurisdiction shall be followed. When conflicts arise in which representatives, including but not limited to coaches, participants, and spectators, are not following the policies and procedures of the local school system, the site director in collaboration with school administration shall have the authority to:
 - 1. Initially provide a warning to those not in compliance to adhere to the local school system policies.
 - 2. Suspend the competition and refer the conflict to Supervisors of Athletics for resolution.
 - 3. Unresolved matters shall be referred to the the MPSSAA Executive Director.
- C. Shared Responsibility - Games and Events will be contested on the basis of shared responsibilities. Personnel from the visiting schools must accept their joint responsibilities with the persons in charge for the supervision and maintenance of behavior on the part of students, spectators, and participants. This includes health and safety policies and procedures, good sportsmanship, exemplary behavior, and protection of property before, during and after each contest.
- D. Tournament Considerations - If a school/team must withdraw from the state tournament due to health related matters, the team scheduled to play next will receive a bye/forfeit and advance to the subsequent round. A school may not request a postponement of any tournament game because of illness, injury, or unavailability of some of its players or coaches.

Local school systems shall adopt preseason-practice heat acclimatization guidelines consistent with the model policy found on page 7 of this document and listed on the MPSSAA health and safety page. These guidelines include ensuring each school is properly prepared and equipped to initiate cold water immersion for the treatment of exertional heat stroke.

3. Automated External Defibrillator (AED) is provided on-site and located within a brief walk from an athletic practice or event. An AED must be freely accessible during all school functions.

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Field Hockey tournament. Plans for the tournament were formulated by the State Field Hockey Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in Section I of this publication as well as those appearing within this Field Hockey Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Field Hockey Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in Section I of this publication.
- E. Regular season policies and procedures
 1. Games postponed during the regular season shall be made up on the first available date and in the order originally scheduled. Subsequent games shall not be moved. Local Supervisor(s) of Athletics shall be consulted and will make final decisions on postponed games.
 2. By State Association adoption, the clock will continue to run after goals when one team is ahead by five goals.
 3. In order to break regular season ties, follow the National Federation Rulebook tie-breaker procedures with the following modification:

Play two 10-minute Reduced Player “sudden-victory” overtime periods, if necessary. Seven players start in the overtime including the goalkeeper, unless a team was playing short in regulation due to a card, then they shall play short in the overtime until the card time is served.

4. If the game is still tied at the end of the second Reduced Player overtime, one set of five one-on-one’s will be used. Each coach shall present a list of five eligible players in shooting order to the official. On an alternating basis, an attacker on the 25-yard line will have 10 seconds against the other team’s goalkeeper who begins on the goal line, to move the ball into the circle, take a shot, and any follow-up shots as time permits. A foul or violation by the attacker ends the procedure. The procedure also ends when: (1) the 10 seconds has elapsed; (2) a goal is scored; (3) the ball goes out of play over the end line or sideline. An unintentional foul by the goalkeeper shall result in the one-on-one being retaken. For an intentional foul by the goalkeeper, a penalty stroke shall be awarded (Any eligible player on the roster may take the penalty stroke. Players currently serving GC/YC/RC penalties not eligible).

If the game is still tied after using one set of one-on-one’s, the game will remain a tie.

5. Timer and Scorer: If there is a visible working scoreboard, it shall be used as the official clock. At the end of each quarter, the timer shall sound an audible device to indicate that time has expired. The umpire's whistle will then signal the official end of the quarter. The timer or scorer must have a stop watch or clock available to keep penalty time on the sideline.
6. During the regular season, the home team shall supply a minimum of five game balls for each contest. It is highly recommended the home team supply two ball retrievers. If no ball retrievers are available, schools shall place two balls behind each goal.

II. REGION AND STATE TOURNAMENTS

A. Tournament Organization

1. Every school is automatically entered in the region tournament unless the MPSSAA office receives written notification to the contrary. Request for withdrawal shall be by letter, signed by the school principal.
2. A TEAM ENTRY FORM utilized for the State Semifinals, and Finals must be filled out by teams winning their Region Final. Instructions on filling out the TEAM ENTRY FORM will be available on mpssaa.org.
3. Each region will conduct a single elimination tournament, with the champion advancing to state play.

B. Playing Rules

1. All rules not modified here shall be in accordance with the current National Federation rules.
2. Methods of tie-breaking will be the same as for the regular season. However, if a tie still stands after two "sudden-victory" Reduced Player periods and one set of five one-on-one's with follow-up shots, then "sudden victory" one-on-one's with follow-up shots will follow to determine a winner during all region and State Tournament games.
 - (a.) Coaches present a list of any five eligible players from the roster to the official for the "sudden victory" one-on-one's with follow-up shots. Players and/or the order of players may be changed.
 - (b.) The team not having the ball first in the previous set of one-on-one's shall start the set of "sudden victory" one-on-one's.
 - (c.) The "sudden victory" one-on-one's with follow-up shots will be taken on an alternating basis until one team is ahead after an equal number of one-on-one's have been taken and the tie is broken.

 - (e.) The higher-placed team is defined as one who occupies the lower-numbered line position, (the favored position), on the bracket in any given round.

 - (a.) Play must be on a regulation field, sized and marked as specified by NFHS Rules including marks for a team line. A crowned field is NOT recommended (the ball should be visible).
 - (b.) The playing surface should be of grass and cut to the appropriate height (ball visible) and/or a turf field.
 - (c.) There shall be a clearly defined spectator area. Spectators may not stand behind team benches.
 - (d.) Provisions should be made for adequate supervision and crowd control.
 - (e.) There should be the capability to control the gate.
 - (f.) A scorer's table with four chairs and two penalty chairs should be provided.
 - (g.) Team benches should be provided.
 - (h.) For Region Finals, the use of a public address system is recommended.

II. DISTRICT AND STATE TOURNAMENTS

- A. Tournament Organization
 1. Schools may enter one team into district play that is comprised of five individuals (male or female).
 2. Schools without teams may enter individuals in district play as individual participants.

 5. The entry for district and state competition must be signed by the coach, athletic director, and the school principal or the entry will be denied.
- B. Playing Rules
 1. The state tournament will be divided into two classifications: 4A/3A and 2A/1A.
 2. Teams for the district tournament may consist of five players.
 - (a.) Districts will count the LOW FOUR towards the team score. The LOW FOUR will constitute the team at the state tournament.
 - (b.) If the fifth player (the individual with the highest score) qualifies, he/she may participate in the state tournament on an individual basis only.
 3. Each entrant will play 18 holes of stroke play.
 - (a.) All district tournaments shall be played at the distances shown on their course scorecards.
 - (b.) Course rating for boys is from the middle or white tees.

Ties for the last individual qualifying place in the district tournament will be determined with a playoff starting from the course designated hole and playing complete holes until the tie is broken. If extenuating circumstances prevent the culmination of said playoff, the USGA recommended tie-breakers will be used starting with 9, 6, 3, 1.
- C. Determining district championships and qualifying for the state tournament.
1. Individual advancement to the state tournament (all criteria below must be met for advancement).
 - (a.) Individuals must shoot a qualifying score determined by using the formula, "Course rating +X strokes = qualifying score for that course"

District	Date of Event	Course and Team Qualifying Score	Female Course Rating/Qualifying Score	Male Course Rating/Qualifying Score
1	10/2	Black Rock GC - 328	70.6/96	69.3/81

- (b.) All districts' course ratings will be used in the equation. The adjustment factor, "X", will be determined by the state committee and distributed to all district representatives. The state committee determines the "X" factor based on the USGA course ratings of all district courses to provide equity for advancement based on the district course.
 - (c.) Individuals who shoot the qualifying score are not guaranteed advancement to the state tournament. Individuals must also be in the top one-eighth (1/8) of the remaining players after subtracting participants who advanced with their teams. (Refer to page 34 of this bulletin for further details.)
 - (d.) District chairpersons may submit six additional qualifying alternates in numerical order.
2. Team advancement to the state tournament.

 - (c.) In addition to the top 4A/3A and 2A/1A team finishers, any team shooting a qualifying score at their district course as determined by an aggregate score of four times the "X" factor plus four strokes will advance to the state tournament. I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Soccer tournament. Plans for the tournament were formulated by the State Soccer Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Soccer Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Soccer Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. During the regular season, a player disqualified under National Federation (NF) Rule 12-8-2 can be permitted to play in the next game, depending on the ejection policies of the local school system or conference. Starting with the first region contest and continuing throughout the tournament, a player who is disqualified under NFHS Rule 12-8 (Article 2, 3) shall be barred from participating in the team's next game. For interpretation refer to Misconduct Detrimental to a Tournament, see Rule .07C(11) in the MPSSAA Handbook.
- F. All region games must be played on the designated date shown below unless there is a facility conflict.
- G. Games postponed during the regular season shall be made up on the first available date and in the order originally scheduled. Subsequent games shall not be moved. Local Supervisor(s) of Athletics shall be consulted and will make final decisions on postponed games.
- H. Ties and suspended games (regular season)
 1. A game ending in a tie shall be resolved by two (if necessary) sudden-victory overtime periods of 10 minutes each. The game shall end with the first overtime goal. If two overtime periods are played without a goal being scored, the game shall be declared a tie. A coin shall be flipped prior to the first overtime period. The coin flip procedure is the same as used to start a game. The interval between the second half and the first overtime period shall be five minutes. The interval between the first overtime period and a second overtime period (if necessary) shall be two minutes.
 2. A game suspended prior to the completion of the first half shall be continued from the point of suspension (see NFHS Rule 7-1-3).
 3. A game suspended after the completion of the first half shall be considered an official game unless the local supervisor(s) gives permission to complete the game from the point of suspension.

II. REGION AND STATE TOURNAMENTS

A. Tournament Organization

1. Every team is automatically entered into the region tournament unless the MPSSAA office receives written notification to the contrary prior to the seeding meeting. Request for withdrawal shall be by letter, signed by the school principal.
2. A TEAM ENTRY FORM utilized for State Semifinals and Finals must be filled out by teams winning their Region Final. Instructions on filling out the TEAM ENTRY FORM are available on mpssaa.org.
3. Each region will conduct a single elimination tournament, with the champion advancing to state play.
4. Doubleheaders will be played where boys and girls matchups exist for both schools, unless the draw or facility prohibits it. For the 2023 tournament, the boys game will be the early game. Each subsequent year, the order will be reversed.
5. A suspended tournament game shall be continued from the point of suspension unless the game is declared complete by mutual agreement between the two schools.

B. Playing Rules

1. The State Soccer Committee has adopted the National Federation recommendation that a player or coach disqualified from a region or state tournament game under NFHS Rule 12-8 (Articles 2, 3) shall be barred from participating in the team's next game. For interpretation, refer to "Misconduct Detrimental to a Tournament", Rule .07C(11) in the MPSSAA Handbook.
2. The overtime procedure for tournament progression is the same as used during the regular season (refer to the preceding section I.H.1). In the event the match remains tied after two sudden victory overtime periods, there will be a penalty kick tiebreaker to determine a winner. The following Penalty Kick Procedure shall be used.
 - (a.) This procedure will be used for all region and state tournament contests.
 - (b.) Organization mechanics: The designated home team or tournament committee, (if the game is being managed by the committee), shall:
 - i. supply sufficient ball persons to enable the procedure to operate efficiently.
 - ii. be responsible for providing sufficient security for the penalty kick procedure so that it may be conducted without interference to those involved.
3. The officials will:
 - (a.) gather all eligible field players in the center circle who completed the second overtime period.
 - (b.) designate the goal at which the penalty kicks will be taken.
 - (c.) choose three game balls for use.
 - (d.) begin the penalty kick procedure after a three-minute intermission period. The following procedures shall apply:
 - i. A coin toss shall occur, with the visiting team calling the toss. The winner of the toss will have the choice of shooting first or defending first.
 - ii. The penalty kick tiebreaker will initially be based on the performance of five kickers designated by the coach from each team. Coaches should identify one kicker at a time. Attempts shall be made in alternating order until one team has an insurmountable advantage.
 - a.) If the score is tied after the five designated players have taken their shots, then a sudden-victory round begins which includes the remaining eligible players for each team who were not part of the initial penalty kicking phase.

- b.) If the score remains tied after the completion of (a) above, then the sudden-victory round continues with all eligible players from each team becoming eligible for a second shot. A coach may change the order from the initial round. No player can take a third shot until all eligible players from both teams have taken their second shot, and so on.
- 4. Coaches' responsibilities:
 - (a.) Each coach shall be solely responsible for utilizing only eligible players as the team's participants. Participation by an ineligible player will result in forfeiture of the game by the offending team. Ineligible participation would include, but not be limited to: a field player who was not in the game at the end of the second overtime or a shooter taking a second attempt in a cycle before all of the shooter's eligible teammates have taken their first attempts in the same cycle.
 - (b.) Only the head coach and one assistant will be permitted to join the players in the center circle. Remaining players, coaches, and team attendants shall be completely off the field of play and in their team bench areas.
- 5. Kicking Procedure
 - (a.) Participants
 - i. Only those players on the field at the end of the second 10-minute sudden-victory overtime period, including the goalkeeper, are eligible for the penalty kick tiebreaker.
 - ii. If the goalkeeper is injured during the penalty kicks and must be removed, the goalkeeper may be replaced by a substitute. This substitute may be selected from any players on the team. However, a goalkeeper, once substituted for, may NOT be reinstated. The substitute for the goalkeeper will take part in the penalty kicks. If a player already on the field replaces the goalkeeper, an additional kicker may be brought in from the bench, but cannot kick until all of the players from that team have kicked. This substitute must be the team's final kicker in each cycle.
 - (b.) The eligible shooters for each team shall take scoring attempts in any sequence the head coach desires. The head coach shall direct each shooter to report to the official at the penalty kick stripe immediately after the completion of the previous shooter's attempt. A shooter may not be changed after reporting to the official. The shooting order need not be the same in the subsequent cycle.
 - (c.) The official shall record the player's name, number, the order in the team's cycle in which the attempt was made, and the result of the kick.
 - (d.) A goalkeeper who is to defend against the next penalty kick attempt shall be stationed outside the field of play at the intersection of the goal line and the penalty area boundary to the side designated by the officials.
 - (e.) If a player who is participating in the tiebreaker is issued a caution during the administration of penalty kicks, then that player becomes the last player to kick in their next eligible round of kicks. For instance if a player has not kicked in the round of kicks in which the player is cautioned, then that player must be the last kicker in that round. If a cautioned player has already kicked in the round of kicks in which the player is cautioned, then the player may not kick again until the end of their next eligible round of 11 kicks.
 - (f.) If a goalkeeper is cautioned, then rule II.B.5.e. above applies. In addition the cautioned goalkeeper may not defend the next opponent's kick but may return to goal on the subsequent kick. The player replacing the goalkeeper in this situation must be from the players already participating in the tiebreaker.

- (g.) Any player, including the goalkeeper, who is disqualified may not participate any further and may not be replaced. Any player disqualified who has not kicked in the cycle of 11 becomes the last kicker and the kick is considered a miss. The same applies to subsequent cycles of 11.
- 6. The game shall end and the team declared the winner which has:
 - (a.) attained an insurmountable lead over its opponent before the initial phase of five penalty kickers is completed; or
 - (b.) scored more goals than its opponent upon completion of the initial phase of five penalty kickers; or
 - (c.) scored one more goal than its opponent at any point after each has taken an equal number of shots during the “sudden victory” phase of the penalty kick tiebreaker.
