

## MPSSAA POINT STANDINGS (Week 5 Standings)

**Note:** The eight seeds in each classification based on point average will compete for two spots in the State Quarterfinals. If a tie exists after the final regular season game, tie breaking procedures set forth by the football committee and found in the football bulletin determine the breaking of that tie. Teams advancing in each region to the state quarterfinals will be reseeded based on their regular season point average.

The MPSSAA standings reflect the most up-to-date results; including official forfeits, updates on misreported scores and any other corrections that may affect the football point standings.
