

MPSSAA SWIMMING AND DIVING BULLETIN

State Championships - February 22-23, 2019

University of Maryland - College Park

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association (MPSSAA) is the official governing body for the Swimming Championships. Plans for the tournament will be formulated by the State Swimming Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication, as well as those appearing within this Swimming and Diving Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Swimming and Diving Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02 found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook, in the front section of this publication, and in the National Federation of State High School Swimming rules for administration of Championship/Large Meets. (Located on the Swimming and Diving page of NFHS.org)
- E. National Federation rulebooks are distributed by the MPSSAA office to every member school offering swimming. It is the responsibility of each coach to read and know the rules.
- F. Officials do a disservice to the sport and student athlete competitors when they set aside rules that apply to illegal uniforms or permit unsportsmanlike acts because they do not want to appear "too picky" or feel that "it is not a major meet." When those student athletes participate in a major competition, where the rules are enforced according to the code, they think that the rules are unfair or that they should have been warned, etc., because "no one called me on this all year." All too often, parents, coaches, and the media argue that the rules are unfair and that officials do not consider how devastating it is to a student athlete disqualified in a major meet because of an illegal uniform or meet conduct violation such as arriving late to the starting blocks. Certainly, this should not happen. However, such disqualifications are ultimately the responsibility of the student athlete and coach. Meet officials who tolerate illegal actions during the season must also assume some responsibility.
- G. Points of Emphasis
 - 1. The wearing of make-up, jewelry, or tattoos by a participant that is distracting or draws undue attention is prohibited and deemed to be unsportsmanlike conduct.
 - 2. Shaving - No on-site shaving before, during, or after a meet (NFHS Rule 3).
 - 3. Excessive celebration - For safety reasons, excessive celebration is prohibited on the pool deck. Example: Throwing a coach in the pool (NFHS Rule 3).
 - 4. A Designated False Start (DFS) counts as an event. A scratch removes the swimmer from the entire meet.

Protests at the City, County, Conference, or District championships based upon classification or State Meets shall normally be resolved by the Referee. - 3. Meet Directors will be responsible for organizing the meets, securing officials, arranging for First Aid services, scoring, and reporting to the Executive Director those who qualify for state competition. ALL MEETS shall be organized and structured in a uniform way for seeding, placement in lanes, etc.
 - a. Hand timed (HT) races shall be recorded to one one-hundredth (1/100) of a second. Fully automatic timed races (AT) shall be recorded to one one-hundredth (1/100) of a second.
 - b. All key, paid officials will be registered with the MPSSAA. It is preferred that these officials have no conflict of interest with any participants in the meet. All teams will be expected to provide the names of three adult timers for region meets and two adult timers for state meets who will stay for the duration of the meet if selected.

4. A coaches' meeting will be held prior to the start of their appropriate meet, unless otherwise noted.
 - a. A printed meet schedule shall be handed out at the coaches' meeting and followed as closely as possible. Any necessary schedule adjustments will be made at this time. Whether present or not, each coach is responsible for all changes made at the meeting.
 - b. Entry in a relay becomes official when the team declares its four swimmers at the coaches' meeting prior to the meet. The lead swimmer and three others (in no order) will be designated for each freestyle relay. All swimmers, by stroke, will be designated for the medley relays. A form will be provided. Any changes to relays after the coaches' meeting must be put in writing listing the event, swimmer(s) added, and swimmer(s) replaced. It should be given to and approved by the Admin Referee (**Swimmers must be one of the eight already declared in the Team Manager entry file.**)
 - c. There will also be the opportunity for deck scratches, before or immediately after the coaches' meeting, using the form provided. Teams at the coaches' meeting may scratch relays without penalty prior to the conclusion of the meeting.
 - d. Declared False Starts (DFS) can be stated at the coaches' meeting to all in attendance, including the REFEREE. A DFS made during the meet must be given to the Referee, who will let the field know before the start of the appropriate event and heat. A DFS will count as an event for that swimmer.
5. There will be a break of at least 15 minutes, including at least 10 minutes warm-up in the water just before the 100-yard butterfly. If there is no warm-up/warm-down pool, there will be a five-minute break following the 500 free to allow relay swimmers to get wet.

6. Region Meet Directors shall email final meet results to State Meet Entry Coordinator Michael Kokoski (mpssaaswimdive@gmail.com) immediately following the completion of their meet(s) for posting on MPSSAA.org and County Sports Zone.

B. Playing Rules

5. Contestants are to report on the first call to the staging area.
6. Team points will be scored to 16th place according to NFHS Championship Meet Scoring Rules.

C. General Policies

2. Only designated officials and participants shall be permitted on deck. Coaches and members of their teams shall remain in their designated areas, from which point the coach can dispatch contestants to the proper location for participation.

4. **Photography is PROHIBITED from behind the starting blocks (this includes cell phones).**
