MPSSAA Launches "Become A Sports Official" Page

The MPSSAA registers officials in numerous sports but as school programs grow we need to provide greater assistance in publicizing this need and in the recruitment of individuals that are interested in becoming involved in officiating. Therefore, we have launched a new page in the Officials section of our website entitled "Become A Sports Official" which includes an interest form that collects the necessary information for the MPSSAA office to pass along to the designated officials' associations to follow-up on.

Being an official is demanding in requiring a thorough knowledge of game rules, the ability to make fair and firm decisions quickly, and the acceptance of sharp criticism. If you are interested, or know of anyone who may be interested, in officiating public high school interscholastic athletics, are at least 18 years of age and a high school graduate, the opportunity to become involved is only a couple simple steps away! Complete the online form found on the "Become A Sports Official" page with your name and contact information, then select the appropriate official association(s) in the drop down menu for the particular sport(s) you are interested in officiating. Someone from the MPSSAA Office and/or an Officials' Association will be in touch with you in the very near future. We thank you in advance for your interest in providing a vital service to the over 112,000 student-athletes in public high schools in our state!!

Sanctioning Reminders

We would like to re-emphasize that host schools for multiteam events need to file the appropriate sanction request form from the MPSSAA.org website with the MPSSAA Executive Director PRIOR to the first play date of that particular season (fall, winter, or spring) and at least 15 days prior to the event for events within the first two weeks of the season. Each request must include an official listing of participating schools before it can be processed for approval and posting on the MPSSAA.org website.

Please note that multi-team events involving MPSSAA member schools or approved non-member Maryland schools that have signed the "Standards of Competition" DO NOT NEED TO BE SANCTIONED!

Lacrosse Moves To Four Classifications for 2018

Last April, the Executive Council and Board of Control approved of the expansion of Boys and Girls Lacrosse to a four classification tournament beginning with the Spring, 2018 season. The new sixteen region alignment, which has already been approved by the Classification Committee last spring, can be found on the last page of this newsletter. Please note that this alignment still needs to be ratified by the MPSSAA Board of Control at their December meeting prior to becoming official for the Spring, 2018 season.

Keep Refueling With Chocolate Milk!

For the third consecutive year, the MPSSAA is pleased to announce a partnership with the American Dairy Association North East for the 2017-18 school year which once again designates low-fat chocolate milk as the exclusive beverage of the MPSSAA. Studies show that low-fat chocolate milk is a great option for high school athletes. It's a nutrient-packed fitness drink that can play an important role in their workout recovery routines.

In addition to the American Dairy Association North East's contribution to the MPSSAA, the partnership will provide opportunities for participants and spectators at the Soccer, Indoor Track, Wrestling, and Outdoor Track state championships to receive nutritional information and samples of low-fat chocolate milk to spread the word about this tasty and healthy option in aiding the body's recovery from fitness activities.

MPSSAA Partners With HUDDLE For State Championship Ticketing

The MPSSAA is pleased to announce a partnership with Huddle® to provide ticketing for our state championship events, further expanding the nation's largest and most innovative ticketing solution for the high school market. Huddle offers an integrated digital and paper ticketing solution for both state association post-season events and individual school regular season events. "We are excited to add the MPSSAA to our rapidly expanding Huddle Tickets/GoFan family. The MPSSAA and its member schools are a perfect fit for our easy-to-use digital ticketing technology, and the fans will absolutely love it," stated Huddle CEO Joey Thacker.

Huddle® has freely provided over 1.3 billion event tickets to high schools since 2001, saving the schools tens of millions of dollars over the years. For the 2017-2018 school year, Huddle has expanded its free offerings to include the GoFan® digital ticketing app. GoFan® provides high schools with digital ticketing capabilities along with the convenience, safety and security of professional sporting events at no cost to the schools. "GoFan is going to help us lead the way nationally in the high school digital ticketing movement. We always want to be forward thinking in our approach to everything, and digital ticketing is the next step," said Brian Layman, Athletic Specialist for the Anne Arundel County Public Schools. Additionally, the National Federation of State High School Associations (NFHS) recently selected Huddle/GoFan as its exclusive partner for a national roll-out of a digital ticketing platform for high school sports.

NFHS Inducts Bernie Walter Into Their Hall Of Fame Class For 2017

The NFHS inducted former Arundel HS Baseball coach and Athletic Director Bernie Walter along with a group of five athletes, four coaches, one administrator and one contest official into the National Federation of State High School Associations (NFHS) National High School Hall of Fame July 2 at the Rhode Island Convention Center in Providence, Rhode Island. The 35th Hall of Fame Induction Ceremony was the closing event of the 98th annual NFHS Summer Meeting.

Bernie was the most successful high school baseball coach in Maryland history during his 36 years at Arundel High School in Gambrills, Maryland. Walter won 670 games during his career that ended in 2009, winning 15 regional titles and a record 10 Maryland Public Secondary Schools Athletic Association (MPSSAA) state championships. His teams also finished second in the state tournament two times and won 16 Anne Arundel County titles. His 1993 team was selected mythical national champions by Collegiate Baseball. Walter won 80 games in seven years at Archbishop Curley High School in Maryland to begin his career, and he served four years as director of baseball operations at the University of Maryland, College Park, after retiring from Arundel High School. Walter has been involved with USA Baseball for many years, including coaching the junior team to medals in 1988 and 1990. He was inducted into the American Baseball Coaches Association Hall of Fame in 2007, and he was a contributor to the Coaching Baseball online course in the NFHS Learning Center.

Bernie Walter HOF Induction (con't.)

The National High School Hall of Fame was started in 1982 by the NFHS to honor high school athletes, coaches, contest officials, administrators, performing arts coaches/directors and others for their extraordinary achievements and accomplishments in high school sports and performing arts programs. This year's class increases the number of individuals in the Hall of Fame to 458.

The 11 individuals were chosen after a two-level selection process involving a screening committee composed of active high school state association administrators, coaches and officials, and a final selection committee composed of coaches, former athletes, state association officials, media representatives and educational leaders. Nominations were made through NFHS member associations.

NFHS #MyReasonWhy Campaign

The MPSSAA was founded on the belief that participation in high school sports brings tremendous value to students. To highlight the countless benefits of high school sports, we are once again partnering with the National Federation of State High School Associations (NFHS) to continue the #MyReason-Why campaign for a second year to celebrate all of the reasons why students participate.

We would again like to invite students to share their personal reasons for participating in high school sports. We also encourage parents, coaches, officials and community members to share their reasons why they support high school sports by using the hashtag #MyReasonWhy.

Students can submit their #MyReasonWhy story throughout the year by visiting nfhs.org/myreasonwhy. For more information on the campaign, visit MyReasonWhy@nfhs.org.
