2012-13 TOTAL COMBINED 119,647

Football Schedules and Results
The Maryland Public Secondary Schools Athletic Association 2013 high school football season kicks-off Friday, September 6 with 186 schools set to start the regular season. The MPSSAA football regular season runs 10 weeks leading up to the state football tournament on December 5th - 7th. New this year is the official MPSSAA football site for schedules and scores hosted by County Sports Zone (CSZ).

County Sports Zone (CSZ) will be the official hub for school communities to access the 10-week schedule for all 186 schools as well as for week-to-week results. In addition, the MPSSAA will continue to post weekly updates to the region point standings allowing school communities to follow their team's progress, as well as the schedule and results of competitors in the same region.

Required Reporting of Scores Reminder
Schools are reminded to report scores, regardless if you are home or away, as soon as possible at the end of each contest. This job should be appointed to a coach, manager, public address announcer, etc., to ensure that the final score is accurately reported each week. Scores should be emailed to County Sports Zone at FootballScores@CountySportsZone.com or called/texted to Wayne Countryman at 443-858-6890.

Football Schedule Reminder
Football schedules for all 186 schools throughout the 10-week regular season are posted at County Sports Zone or are available by clicking on the link located on the MPSSAA home page. Schools are asked to review their schedule to ensure that all weeks are listed correctly. If any schedule changes have been made since the schedules were submitted to the MPSSAA office, please report those to us immediately.

COMAR Changes Take Effect
The Maryland State Board of Education officially endorsed a comprehensive set of changes to the Interscholastic Athletic Regulations that govern the Maryland Public Secondary Schools Athletic Association. The changes are the result of a two year review process by local school system administrators.

These amendments to the athletic regulations took effect on August 19, 2013 and are published in the annual MPSSAA Handbook (the MPSSAA Handbook can be found on the publications page of mpssaa.org). Among the highlights of the revisions are the permanent restructuring of the first Fall practice date, a redefinition of out-of-season practice to allow school coaching staffs to work during the off-season with a maximum of two returning players per day, restrictions of consecutive day meets for indoor and outdoor track as well as cross country, JV and Varsity participation on the same day and sanctioning guidelines.

The MPSSAA office and Executive Council will be working to ensure all schools are advised and understand the changes in the regulations.

MPSSAA Meeting Dates
A list of MPSSAA Meeting dates for the fall are listed in the end of this publication. Also a full listing can be found in the calendar section of the MPSSAA handbook, which is located on the publications page of www.mpssaa.org.
Executive's Corner
Edward “Ned” Sparks
Executive Director, MPSSAA

Recently a reporter from a national publication called the MPSSAA office seeking the name of a Maryland nominee for a proposed contest to select the best high school football coach in America. The idea is for each state to nominate a coach so fans across the nation may vote to pick a national winner.

When I asked for the selection criteria, I was told career wins vs losses and the number of championships won. Okay, but what about the teaching of values such as teamwork, brotherhood, sportsmanship and work ethic? How about those that serve as positive role models to impressionable young men and women? Any consideration for coaches that have demonstrated class along with caring and mentoring characteristics? Perhaps someone respected in their community as an example to emulate.

The caller stated that he agreed with what I was saying but the realistic bottom line is wins and losses. I then told the caller that we had many great coaches in Maryland because they were first great men (and women). Again the answer, “We just want winning statistics.” I thought to myself, how sad. An influential national publication does not see the true value of high school athletics.

In many respects that attitude reflects a loss of understanding of the purpose of school athletic programs. While achievement is important and should be celebrated, the influence of athletics over the lives of its participants cannot be measured in wins and losses. The opportunity to affect young people in a positive way cannot be overlooked. The ability to impart values that carryover into a lifetime cannot be trivialized.

The coaches we all respected and emulated while growing up made a profound contribution to our lives. Teaching character and values is the true calling of high school athletics. We should never miss a chance to remind folks that we do more than prepare future featured athletes on SportsCenter.

When the trophies and plaques begin to fade and the 15 minutes of fame is history the character of those who earned them will live on and positively affect those who follow.

**Cross Country State Championships**

It is anticipated and pending final agreement that the 2013 MPSSAA Cross Country State Championships will be held at McDaniel College in Westminster, Md., on Saturday, November 9, 2013. The change in the venue comes due to school construction at Hereford HS.

Schools should look for more information on the MPSSAA website and through email as details of the event are finalized. Schools should also review team entry information in the MPSSAA cross country bulletin.

**Get Your Champ Passes**

The MPSSAA continues its tradition of providing a special ticket for schools to use at state semifinals and finals. Known as the Champ Pass, member schools may purchase them to distribute as they see fit.

The Champ Pass provides a school the unique opportunity to say “Thanks” or perhaps reward deserving people at a time of great interest in high school athletics. It provides a school the opportunity to make a magnanimous gesture to individuals such as Booster Club members, volunteers, community leaders, PTA officers, etc. It helps avoid the uneasiness and other awkward situations that arise over requests for tickets as a school’s team heads to M&T Bank Stadium, UMBC, College Park or any other championship venue.

Order forms have been sent to principals and athletic directors. Ticket booklets will be mailed to schools starting in mid October.

**Positive Momentum Is Result of Leadership Conference**

A highly motivated and energetic group of student-athletes from across the state left the 4th annual MPSSAA Student-Athlete Leadership Conference held at Laurel High School with renewed focus and positive momentum to become leaders in their schools and communities.

The MPSSAA wishes to thank the Allstate Foundation for the funding provided to make the Leadership Conference a reality. Allstate’s support of this endeavor is paramount to its’ success and we appreciate their interest in partnering with us to make a difference in the lives of our students and programs.

The MPSSAA also wishes to thank DAVECO who supplied all 400 plus students in attendance with sandwiches and salads courtesy of their local Wendy’s restaurants.

Students in attendance took part in the Arrive Alive tour featuring a vehicle simulator to reinforce the dangers of texting and driving, team building, captains course as listening to guest speakers Richard Guerry, Dr. Greg Dale, Stephen Bargatze and Elliott Hopkins discuss safe social media use, inclusion, making good decisions, dangers of bullying and hazing, responsibility and many more topics.

Many thanks to our hosts at Laurel HS and the many volunteers who assisted with the multitude of tasks which made for a smooth running and orderly event. We look forward to next year’s conference and hope to “set the bar” even higher!

**NFHS Sport Rule Changes**

The MPSSAA website, www.mpssaa.org, posts all rule change release from the NFHS. To view NFHS rule changes go to www.mpssaa.org and click on the sport you wish to see the latest rule changes.

**Fall Draw Dates**

The MPSSAA will conduct all fall draws via conference call with sport committee directors. Results for the draw will be available on www.mpssaa.org the day of the draw.

**Fall 2013 Draw Dates**

- **Girl’s Field Hockey** - October 17
- **Boy’s and Girl’s Soccer** - October 21
- **Girl’s Volleyball** - October 28

**Fall 2013 Team Entry Form Dates**

- **Girl’s Field Hockey** - October 25
- **Boy’s and Girl’s Soccer** - October 30
- **Girl’s Volleyball** - November 5
- **Football** - November 18

**MPSSAA.ORG Is Your Home For State Championship Information**

The MPSSAA website, www.mpssaa.org, has all the information you will need for the upcoming Fall state championships. This fall MPSSAA.org will feature:

- Live results from the state championships.
- Updated brackets.
- Online tickets to state tournament contests.
- New for 2013, live video on the MPSSAA Network featuring as many championship events as possible.
Sectional Seeding Guidelines

For the purpose of seeding regional and sectional play, the following guidelines have been developed to provide direction for competing within sectional brackets of each school’s respective regional tournament. Sectional tournaments will take place in the following sports:

<table>
<thead>
<tr>
<th>Fall</th>
<th>Winter</th>
<th>Spring</th>
</tr>
</thead>
<tbody>
<tr>
<td>Boys Soccer</td>
<td>Boys Basketball</td>
<td>Boys Baseball</td>
</tr>
<tr>
<td>Girls Soccer</td>
<td>Girls Basketball</td>
<td>Girls Softball</td>
</tr>
<tr>
<td>Girls Volleyball</td>
<td></td>
<td>Boys Lacrosse</td>
</tr>
<tr>
<td>Girls Field Hockey</td>
<td></td>
<td>Girls Lacrosse</td>
</tr>
</tbody>
</table>

The following procedures will be used for seeding and determining regional play.

- Schools are divided into sectionals as established by the MPSSAA Classification Committee and Board of Control.

- The top-two teams in each sectional, based on their regular season winning percentage, will be seeded.

- The remaining teams in each sectional will be seeded based on a random draw for that sectional.

- Schools will play out each sectional with a sectional quarterfinal round, sectional semifinal round, and a sectional championship.

- Sectional champions will meet in a regional championship game.

- **Regional Championship Sites:** During the first year of a classification period, Section I will host all fall and spring regional championship games, Section II will host all winter regional championship games. During the second year of a classification period, Section II will host all fall and spring regional championship games, Section I will host all winter regional championship games.

<table>
<thead>
<tr>
<th>2013-14</th>
<th>2014-15</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall – Section I</td>
<td>Fall – Section II</td>
</tr>
<tr>
<td>Winter – Section II</td>
<td>Winter – Section I</td>
</tr>
<tr>
<td>Spring – Section I</td>
<td>Spring – Section II</td>
</tr>
</tbody>
</table>

- Unless a specific alternative plan has been approved, all regional championship games will be held at the home site of the school representing the designated host sectional. The option to conduct region contests at neutral or central sites remains.

  - The MPSSAA executive director may grant permission for region games to be scheduled at a site other than that of the school representing the designated sectional host. This may be done upon a written request of the region director, with approval by a two-thirds representative vote of athletic supervisors of schools in that region. Each athletic supervisor’s vote will be weighed proportionally to the number of schools he or she represents in that region. The request must be received by dates established in each sport’s respective bulletin.

  - The region director shall inform the state committee director and the MPSSAA of the schedule established for competition by the date established in each sport’s respective bulletin.

- The winner of the regional championship game will represent that region in the state tournament.
Important Dates To Remember
