GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Soccer tournament. Plans for the tournament were formulated by the State Soccer Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Soccer Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Soccer Rule Book will be followed.
- C. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current MPSSAA Handbook.
- D. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- E. During the regular season, a player disqualified under National Federation (NF) Rule 12-8-2 can be permitted to play in the next game, depending on the ejection policies of the local school system or conference. Starting with the first region contest and continuing throughout the tournament, a player who is disqualified under NFHS Rule 12-8 (Article 2, 3) shall be barred from participating in the team's next game. For interpretation refer to Misconduct Detrimental to a Tournament, see Rule .07C(11) in the MPSSAA Handbook.
- F. All region games must be played on the designated date shown above unless there is a facility conflict.
- G. Games postponed during the regular season shall be made up on the first available date and in the order originally scheduled. Subsequent games shall not be moved. Local Supervisor(s) of Athletics shall be consulted and will make final decisions on postponed games.
- H. Ties and suspended games (regular season)
 - 1. A game ending in a tie shall be resolved by two (if necessary) sudden-victory overtime periods of 10 minutes each. The game shall end with the first overtime goal. If two overtime periods are played without a goal being scored, the game shall be declared a tie. A coin shall be flipped prior to the first overtime period. The coin flip procedure is the same as used to start a game. The interval between the second half and the first overtime period shall be five minutes. The interval between the first overtime period and a second overtime period (if necessary) shall be two minutes.
 - 2. A game suspended prior to the completion of the first half shall be continued from the point of suspension (see NFHS Rule 7-1-3).
 - 3. A game suspended after the completion of the first half shall be considered an official game unless the local supervisor(s) gives permission to complete the game from the point of suspension.
- By State adoption, the State Soccer Committees have adopted the following rule regarding the termination of a game. A game will be considered complete in the second half after 20 minutes have been played and there is an 8+ goal differential.

REGION AND STATE TOURNAMENTS

A. Tournament Organization

- Every team is automatically entered into the region tournament unless the MPSSAA office receives written notification to the contrary prior to the seeding meeting. Request for withdrawal shall be by letter, signed by the school principal.
- 2. A TEAM ENTRY FORM utilized for State Semifinals and Finals must be filled out by teams winning their Region Final. Instructions on filling out the TEAM ENTRY FORM are available on mpssaa.org.
- 3. Each region will conduct a single elimination tournament, with the champion advancing to state play.
- 4. Doubleheaders will be played where boys and girls matchups exist for both schools, unless the draw or facility prohibits it. For the 2025 tournament, the boys game will be the early game. Each subsequent year, the order will be reversed.
- 5. A suspended tournament game shall be continued from the point of suspension unless the game is declared complete by mutual agreement between the two schools.

B. Playing Rules

- 1. The State Soccer Committee has adopted the National Federation recommendation that a player or coach disqualified from a region or state tournament game under NFHS Rule 12-8 (Articles 2, 3) shall be barred from participating in the team's next game. For interpretation, refer to "Misconduct Detrimental to a Tournament", Rule .07C(11) in the MPSSAA Handbook.
- 2. Any team personnel (e.g., coach, player, manager) on the sideline or bench who receives a red card due to egregious actions may not participate in the awards ceremony.
- 3. The overtime procedure for tournament progression is the same as used during the regular season (refer to the preceding section I.H.1). In the event the match remains tied after two sudden victory overtime periods, there will be a penalty kick tiebreaker to determine a winner. The following Penalty Kick Procedure shall be used.
 - (a.) This procedure will be used for all region and state tournament contests.
 - (b.) Organization mechanics: The designated home team or tournament committee, (if the game is being managed by the committee), shall:
 - supply sufficient ball persons to enable the procedure to operate efficiently.
 - ii. be responsible for providing sufficient security for the penalty kick procedure so that it may be conducted without interference to those involved.

The officials will:

- (a.) gather all eligible field players in the center circle who completed the second overtime period.
- (b.) designate the goal at which the penalty kicks will be taken.
- (c.) choose three game balls for use.
- (d.) begin the penalty kick procedure after a three-minute intermission period. The following procedures shall apply:
 - i. A coin toss shall occur, with the visiting team calling the toss. The winner of the toss will have the choice of shooting first or defending first.
 - The penalty kick tiebreaker will initially be based on the performance of five kickers designated by the coach from each team. Coaches should identify one kicker at a time. Attempts shall be made in alternating order until one team has an insurmountable advantage.

- a.) If the score is tied after the five designated players have taken their shots, then a suddenvictory round begins which includes the remaining eligible players for each team who were not part of the initial penalty kicking phase.
- b.) If the score remains tied after the completion of (a) above, then the sudden-victory round continues with all eligible players from each team becoming eligible for a second shot. A coach may change the order from the initial round. No player can take a third shot until all eligible players from both teams have taken their second shot, and so on.

5. Coaches' responsibilities:

- (a.) Each coach shall be solely responsible for utilizing only eligible players as the team's participants. Participation by an ineligible player will result in forfeiture of the game by the offending team. Ineligible participation would include, but not be limited to: a field player who was not in the game at the end of the second overtime or a shooter taking a second attempt in a cycle before all of the shooter's eligible teammates have taken their first attempts in the same cycle.
- (b.) Only the head coach and one assistant will be permitted to join the players in the center circle. Remaining players, coaches, and team attendants shall be completely off the field of play and in their team bench areas.

6. Kicking Procedure

(a.) Participants

- i. Only those players on the field at the end of the second 10-minute sudden-victory overtime period, including the goalkeeper, are eligible for the penalty kick tiebreaker.
- If the goalkeeper is injured during the penalty kicks and must be removed, the goalkeeper may be replaced by a substitute. This substitute may be selected from any players on the team. However, a goalkeeper, once substituted for, may NOT be reinstated. The substitute for the goalkeeper will take part in the penalty kicks. If a player already on the field replaces the goalkeeper, an additional kicker may be brought in from the bench, but cannot kick until all of the players from that team have kicked. This substitute must be the team's final kicker in each cycle.
- (b.) The eligible shooters for each team shall take scoring attempts in any sequence the head coach desires. The head coach shall direct each shooter to report to the official at the penalty kick stripe immediately after the completion of the previous shooter's attempt. A shooter may not be changed after reporting to the official. The shooting order need not be the same in the subsequent cycle.
- (c.) The official shall record the player's name, number, the order in the team's cycle in which the attempt was made, and the result of the kick.
- (d.) A goalkeeper who is to defend against the next penalty kick attempt shall be stationed outside the field of play at the intersection of the goal line and the penalty area boundary to the side designated by the officials.
- (e.) If a player who is participating in the tiebreaker is issued a caution during the administration of penalty kicks, then that player becomes the last player to kick in their next eligible round of kicks. For instance if a player has not kicked in the round of kicks in which the player is cautioned, then that player must be the last kicker in that round. If a cautioned player has already kicked in the round of kicks in which the player is cautioned, then the player may not kick again until the end of their next eligible round of 11 kicks.
- (f.) If a goalkeeper is cautioned, then rule II.B.5.e. above applies. In addition the cautioned goalkeeper may not defend the next opponent's kick but may return to goal on the subsequent kick. The player replacing the goalkeeper in this situation must be from the players already participating in the tiebreaker.

- (g.) Any player, including the goalkeeper, who is disqualified may not participate any further and may not be replaced. Any player disqualified who has not kicked in the cycle of 11 becomes the last kicker and the kick is considered a miss. The same applies to subsequent cycles of 11.
- 7. The game shall end and the team declared the winner which has:
 - (a.) attained an insurmountable lead over its opponent before the initial phase of five penalty kickers is completed; or
 - (b.) scored more goals than its opponent upon completion of the initial phase of five penalty kickers; or
 - (c.) scored one more goal than its opponent at any point after each has taken an equal number of shots during the "sudden victory" phase of the penalty kick tiebreaker.

 - (e.) The higher-placed team is defined as one who occupies the lower-numbered line position (the favored position), on the bracket in any given round.
- Unless a specific alternative plan has been approved, all teams in regional play will abide by the following guidelines.

 - (c.) If circumstances render a home site unplayable and the game is scheduled at any alternate site, the designated home team will remain unchanged.
 - (d.) A site suitable for a regular season game may be unsuitable for a playoff game. Region directors should work with local supervisors to assure that region sites meet field and safety criteria.

- 4. Uniforms shall comply with current NFHS rules. The designated home team will wear the dark jersey and dark socks. The designated visiting team will wear solid white jersey and solid white socks.

 - (c.) It is the responsibility of the host school to provide and enforce crowd control measures.
 - (d.) There must be a qualified game manager other than the participating coach.
- 6. When a school cannot meet the game site criteria above, the region director shall designate an alternative site, after consultation with the local supervisor(s) of athletics.
- 7. When a school cannot meet the NFHS uniform specifications, the region director in consultation with local supervisor(s) of athletics may assign the designation of home team (including site of contest) to the opposing school without change of tournament seeding.
