

MPSSAA GIRLS SOFTBALL BULLETIN

State Finals - May 27-28, 2022 University of Maryland, College Park

I. GENERAL INFORMATION

- A. The Maryland Public Secondary Schools Athletic Association is the official governing body for the Softball tournament. Plans for the tournament were formulated by the Girls State Softball Committee and approved by the Board of Control.
- B. Schools choosing to enter the tournament have the responsibility for reading and adhering to the rules and regulations stated in the front section of this publication as well as those appearing within this Softball Bulletin. Unless specifically stated, all rules and regulations stipulated in the NFHS Softball Rule Book will be followed.
- C. General regulations for all state tournaments are contained in MPSSAA Bylaw .07, found in both the current Handbook and in the front section of this publication.
- D. Eligibility rules for all participants are defined in MPSSAA Bylaw .02, found in the current Handbook.
- E. As per NFHS rules, an optic yellow ball is required for all contests. The Girls State Softball Committee IS REQUIRING the use of the Dudley SB12LRFY-FP Optic Yellow ball with red stitching during both the region and state tournaments.
- F. All games, including doubleheaders, will be scheduled as seven inning games.
- G. As allowed in NFHS Rule 4-2-3, by state adoption, a game called for any reason, where a winner cannot be determined, will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, with the lineup and batting order of each team exactly the same as the lineup and batting order at the moment of suspension, subject to the rules of the game. All region and state tournament games will be a minimum of seven innings unless considered complete under Section II, item B (3.) on the next page.
- H. The Girls State Softball Committee has adopted the rule permitting the courtesy runners and a double first base for play all season long. The double first base will be used in all regional and state tournament games.
- I. The Girls State Softball Committee has established a tiebreaker procedure as authorized by rule NFHS Rule 4-2-6, to determine the winner of a game that remains tied after seven innings of play. This procedure will be used during both the region and state tournaments. Individual school systems are encouraged to adopt this procedure during the regular season for both varsity and junior varsity games.

Beginning with the eighth inning, each half inning will begin with the last completed turn at bat from the previous inning (or her legal substitute or courtesy runner) on second base. [Note: Enforcement of an "automatic out" as described in NFHS Rule 3-3-8b or 4-3-1g shall never be interpreted to create an out before the extra inning is begun.] After the lead off batter has completed her turn at bat, any "automatic out" in the batting order will be an automatic out as prescribed in NFHS Rule 7-4-1.
